**Tuberculosis course offered**

WINNEMUCCA--A course for nurses and physicians on tuberculosis epidemiology and control will be held Wednesday, June 20, noon to 1:30 p.m., Humboldt General Hospital.

The course will provide a complete update on tuberculosis, including control and symptoms of the disease. Dr. Joseph Jarvis, assistant dean for medical programs, University of Nevada School of Medicine, will be the instructor of the course. The course will provide one hour of continuing medical education for physicians and one contact hour of continuing education for nurses.

The course is sponsored by Northeastern Nevada Area Health Education Center, a program that works in partnership with the University of Nevada School of Medicine to provide continuing education to health professionals.

Pre-registration is required by June 13. For more information contact Gerald Ackerman, in Elko, 738-3828, or Don Jones, Humboldt General Hospital. 623-5222.
