

Jeffrey Seabourn wins honors at med school

Lynne D. Williams, medical school information
May 29, 1990

FOR IMMEDIATE RELEASE

Jeffrey T. Seabourn, M.D., a graduating senior at the University of Nevada School of Medicine, won the **Neurosciences Award** at the school's awards ceremony on Thursday, May 17. He also has been inducted into Alpha Omega Alpha, the national honorary medical society, which recognizes and perpetuates excellence in the medical profession.

Dr. Seabourn, who received his medical degree in graduation ceremonies on May 19, will be doing a diagnostic radiology residency at the University of New Mexico School of Medicine in Albuquerque. He earned his undergraduate degree from Pepperdine University.

Dr. Seabourn, who lists Sparks as his hometown, is the son of Anne M. Seabourn of Reno.
