FOR IMMEDIATE RELEASE

Daniel W. Chang, M.D., a graduating senior at the University of Nevada School of Medicine, won the Merck Manual Award at the school's award ceremonies on Thursday, May 17.

Dr. Chang, who received his medical degree at graduation ceremonies on May 19, will be doing an obstetrics and gynecology residency at the University of Colorado School of Medicine in Denver. He earned his undergraduate degree in biology from the University of Nevada, Reno.

Dr. Chang is the son of Mr. and Mrs. Tsung Chang of Sparks.
