Course offered for medical technicians

FALLON--A update for medical technicians on blood banking, infectious disease and other topics will be held Saturday, May 19, Churchill Regional Medical Center, 9 a.m. to 3 p.m.

The course, taught by Kenneth Maehara, Ph.D., director, clinical laboratory science program University of Nevada School of Medicine, and Wendy Kiehn, M.S., assistant professor, University of Nevada School of Medicine, will provide five contact hours of continuing education for medical technicians.

The course is sponsored by Northeastern Nevada Area Health Education Center, which works in partnership with the School of Medicine to provide continuing education for health professionals.

For information contact Karen Kimber, in Elko, 738-3828.
