FOR IMMEDIATE RELEASE

JOHN S. PIXLEY, M.D., assistant professor and director of Rheumatology/Immunology at the School of Medicine, has been elected to Fellowship in the American College of Physicians (ACP), a national organization of physicians. Fellowship is an honor, attained through rigorous review of the internist's scholarly and community activities, voluntary continuing education and special certifications in their chosen field.

JAN CARMICHAEL, PHARM.D., internal medicine, has been appointed to the United States Pharmacopoeial Convention, Inc. (USP) Advisory Panel of Family Practice, to work in its drug information development programs. During its 1990-1995 term, the panel will help determine the content of the USP drug information data base and provide input relating to the clinical aspects of USP's work in the area of drug standards and information.
