FOR IMMEDIATE RELEASE

Kathleen A. Peele, assistant professor of pediatrics, has been awarded a grant of \$5,000 from the Nevada Women's Fund. The money will fund a project to train emergency room nurses in techniques of collecting medical evidence in rape cases. She also was instrumental in setting up a cooperative program with local law enforcement agencies to help children who have been sexually abused; a program that also served as a model for a similar program in Las Vegas.

Peele will receive the grant at the Nevada Women's Fund's December 18 luncheon at the Eldorado Hotel & Casino Convention Center.
