MANY DRUGS FORMERLY AVAILABLE ONLY BY PERSCRIPTION ARE NOW BEING RELEASED TO CONSUMERS FOR OVER-THE-COUNTER SALES, SAYS DR. JAN CARMICHAEL OF THE UNIVERSITY OF NEVADA SCHOOL OF MEDICINE:

.19 "Ingredients such as hydrocortisone..... are all examples of ingredients which have been approved by the Food and Drug Administration for non-prescription status."

WHAT DO CONSUMERS NEED TO KNOW ABOUT THESE EASILY AVAILABLE DRUGS?

.25 "Because no medication should be taken lightly; it's very important for consumers..... Consumers should know that they must not ignore these recommendations.

THIS IS HEALTHLINE, FROM THE UNIVERSITY OF NEVADA SCHOOL OF MEDICINE.
