MEDIA ADVISORY:

Information embargoed until 11:30 a.m., Sept. 29

A University of Nevada School of Medicine researcher has been awarded a prestigious National Institutes of Health (NIH) grant to be part of a nationwide study of women's health issues.

A press conference will be held **Thursday, Sept. 29 at 11:30 a.m.** in the school's Atrium in the Savitt Medical Building to announce an \$8.5 million grant awarded to Sandra Daugherty, M.D., Ph.D. The Nevada announcement will coincide with the national announcement by NIH of the 40 centers around the country that have been awarded such grants.

Dr. Daugherty will be available for interviews regarding her grant and the goals she has for her study. Packets with detailed information will be available to media representatives. Parking is available east of the Redfield Building. For further information, contact Lynne Williams at 784-6003, or Ann Diggins at 784-1317.
