Match Day

March 10, 1995

FOR IMMEDIATE RELEASE

If you were to ask a medical student what is the most exciting -- and nerve wracking -- day in their school career, most would probably say "Match Day." This is the day when every medical student in the nation learns where he or she will spend the next few years of their lives in postgraduate training in the medical field of their choice.

Match Day this year is **Wednesday, March 15, 1995**, and students at the University of Nevada School of Medicine's Reno campus will receive their matches at precisely 9 a.m. in the Atrium of the Savitt Medical Building.

Family and friends, as well as school faculty and staff, will help celebrate this happy occasion.

Media representatives should contact Lynne Williams, 784-6003.
