Laboratory technology issues course

An interactive television videoconference on the hanta virus and blood lead levels in Nevada will be held Thursday, November 9, 8:30 to 10:30 a.m. The program will be broadcast simultaneously to six Nevada communities. Locations in each community are listed below.

Carson City: Western Nevada Community College, Room 138E

Elko: Great Basin College, Technical Arts Bldg., Room 124

Fallon: Western Nevada Community College, Room 308

Hawthorne: Mineral County High School, Room 6

Winnemucca: Great Basin College, Interactive Classroom

Reno: UNR, Education Building, Room 202

The program instructors will be Arthur De Salvo, M.D., director, Nevada State Health Laboratory and professor, University of Nevada School of Medicine Department of Pathology; and Stephen St. Jeor, professor, University of Nevada School of Medicine Department of Microbiology. Clinical laboratory personnel attending will receive 2.0 hours of continuing education credit.

The program is organized by the University of Nevada School of Medicine Northeastern Area Health Education Center. For more information, call the Northeastern AHEC, in Elko, at 738-3828.
