Housing volunteers needed

FOR IMMEDIATE RELEASE

The University of Nevada School of Medicine needs volunteers in Mesquite to open their homes for four weeks to a medical student.

Volunteers can specify when and how often they can house a senior medical student.

Students require their own bedroom, but can share all other space. Housing volunteers often form long-term friendships with the students and help a medical student complete their education, while showing them the community.

If you can help, please call Jamie Anderson (702) 784-1317
