Media Alert:

When we met last fall, we discussed the possibility of doing some joint news stories with the NBC affiliate in Las Vegas. There is an event coming up tomorrow night that might lend itself to a joint news approach.

At 5 p.m., on August 6, we will be holding our third annual White Coat Ceremony. The incoming first-year students are presented with their first white coat, symbolic of their commitment to the medical profession and caring for their patients. Among the new class of 46, there are 18 students from Las Vegas and its surrounding areas.

If you think this would be of interest, just let me know what I can do to help you.
