RE: COMMUNITY CALENDAR OF EVENTS

Thank you for participating in our community calendar. The response has been terrific.

The first monthly calendar will be mailed the first week in January to Chamber members and participants such as yourself. Please call or send in any changes or updated events for inclusion in the calendar before Dec. 27.

Although we would like to have your activities for the next six months on file, updated material will be accepted at any time.

In the event there are too many activities on any given day to be included on the calendar, the Chamber will keep a master calendar and the information will be available upon request.

We look forward to providing this essential service to the Reno-Sparks area. Thanks again for your participation.

Becky
