DEPARTMENT OF ADMINISTRATION
OFFICE OF THE DIRECTOR
BUDGET AND PLANNING DIVISION

Dear Interested Party:

You have requested to be notified of land management decisions on the Ralston Allotment in accordance with 43 CFR 4130.2 (b) which requires the authorized officer to consult, cooperate and coordinate with the interested public prior to the issuance of a temporary non-renewable grazing authorization.

The Bureau of Land Management, Tonopah Field Office has received a temporary non-renewable (TNR) grazing application and a ten-year grazing permit application from Colvin & Son, Limited Liability Corporation to graze the Ralston Allotment. The Ralston Allotment is vacant and is grazed under temporary non-renewable grazing authorizations not to exceed a year. The TNR grazing application is for 1400 head of livestock from March 1, 2009 to June 5, 2009 and from October 16, 2009 to February 28, 2010. The ten-year grazing permit application is for the full preference of 10,727 animal unit months. A map of the Ralston Allotment is enclosed. Your input in the future management of the resources is important and will be taken into consideration as the document is being developed.

The proposed decision will be sent to those parties who provide comments. However, before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment – including your personal identifying information – may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Please submit any comments you may have within 15 days from receipt of this letter. Please contact Marc Pointel at (775) 482-7800 if you have any questions.

Sincerely,

Thomas J. Seley
Field Manager
