Dear Interested Party:

The Carson City Field Office is in the process of renewing ten year grazing permits on three Allotments (refer to attached maps). They are the Parker Butte (Circle Bar-N Ranch), Olinghouse (Jack Bassett), and Desert Mountain (John Stanley) Allotments.

There will be no changes in the total number of animal unit months of specified grazing, authorized period of use, kind of livestock, or class of livestock. The terms and conditions have been modified to comply with the Standards and Guidelines established by the Sierra Front-Northwestern Great Basin Resource Advisory Council. If you have any information pertaining to these proposed actions, please provide it prior to December 28, 1998.
