Dear Interested Public:

The Carson City Field Office is currently in the process of transferring the authorized grazing use in the Copper Kettle Allotment from Don Sims to Michael Maestri and Sharon Siegel.

There will be no changes in the total number of animal unit months, authorized period of use, class or kind of livestock or other Terms and Conditions associated with the Permit. An analysis of the grazing use in the Copper Kettle Allotment was completed in 1993 and a Multiple Use Decision was issued on November 22, 1994. If you have any comments or information pertaining to this proposed action please provide them to the office no later than August 17, 1998. Should you have any questions please contact Jennifer Derley at (702) 885-6191.

Sincerely,

Jennifer Derley
Range Management Specialist
Division of Renewable Resources
