Dear Interested Party:

Dick Huntsberger has requested temporary nonrenewable cattle grazing in the Clifton Flat Allotment (refer to enclosed map). The Carson City Field Office is considering approval of this request since it is within the established period of use (11/1-3/31) and will not exceed the total number of animal unit months of specified livestock grazing identified for the allotment. There will be no change in the kind or class of livestock.

If you have any comments regarding this matter, please provide them prior to January 14, 2000.

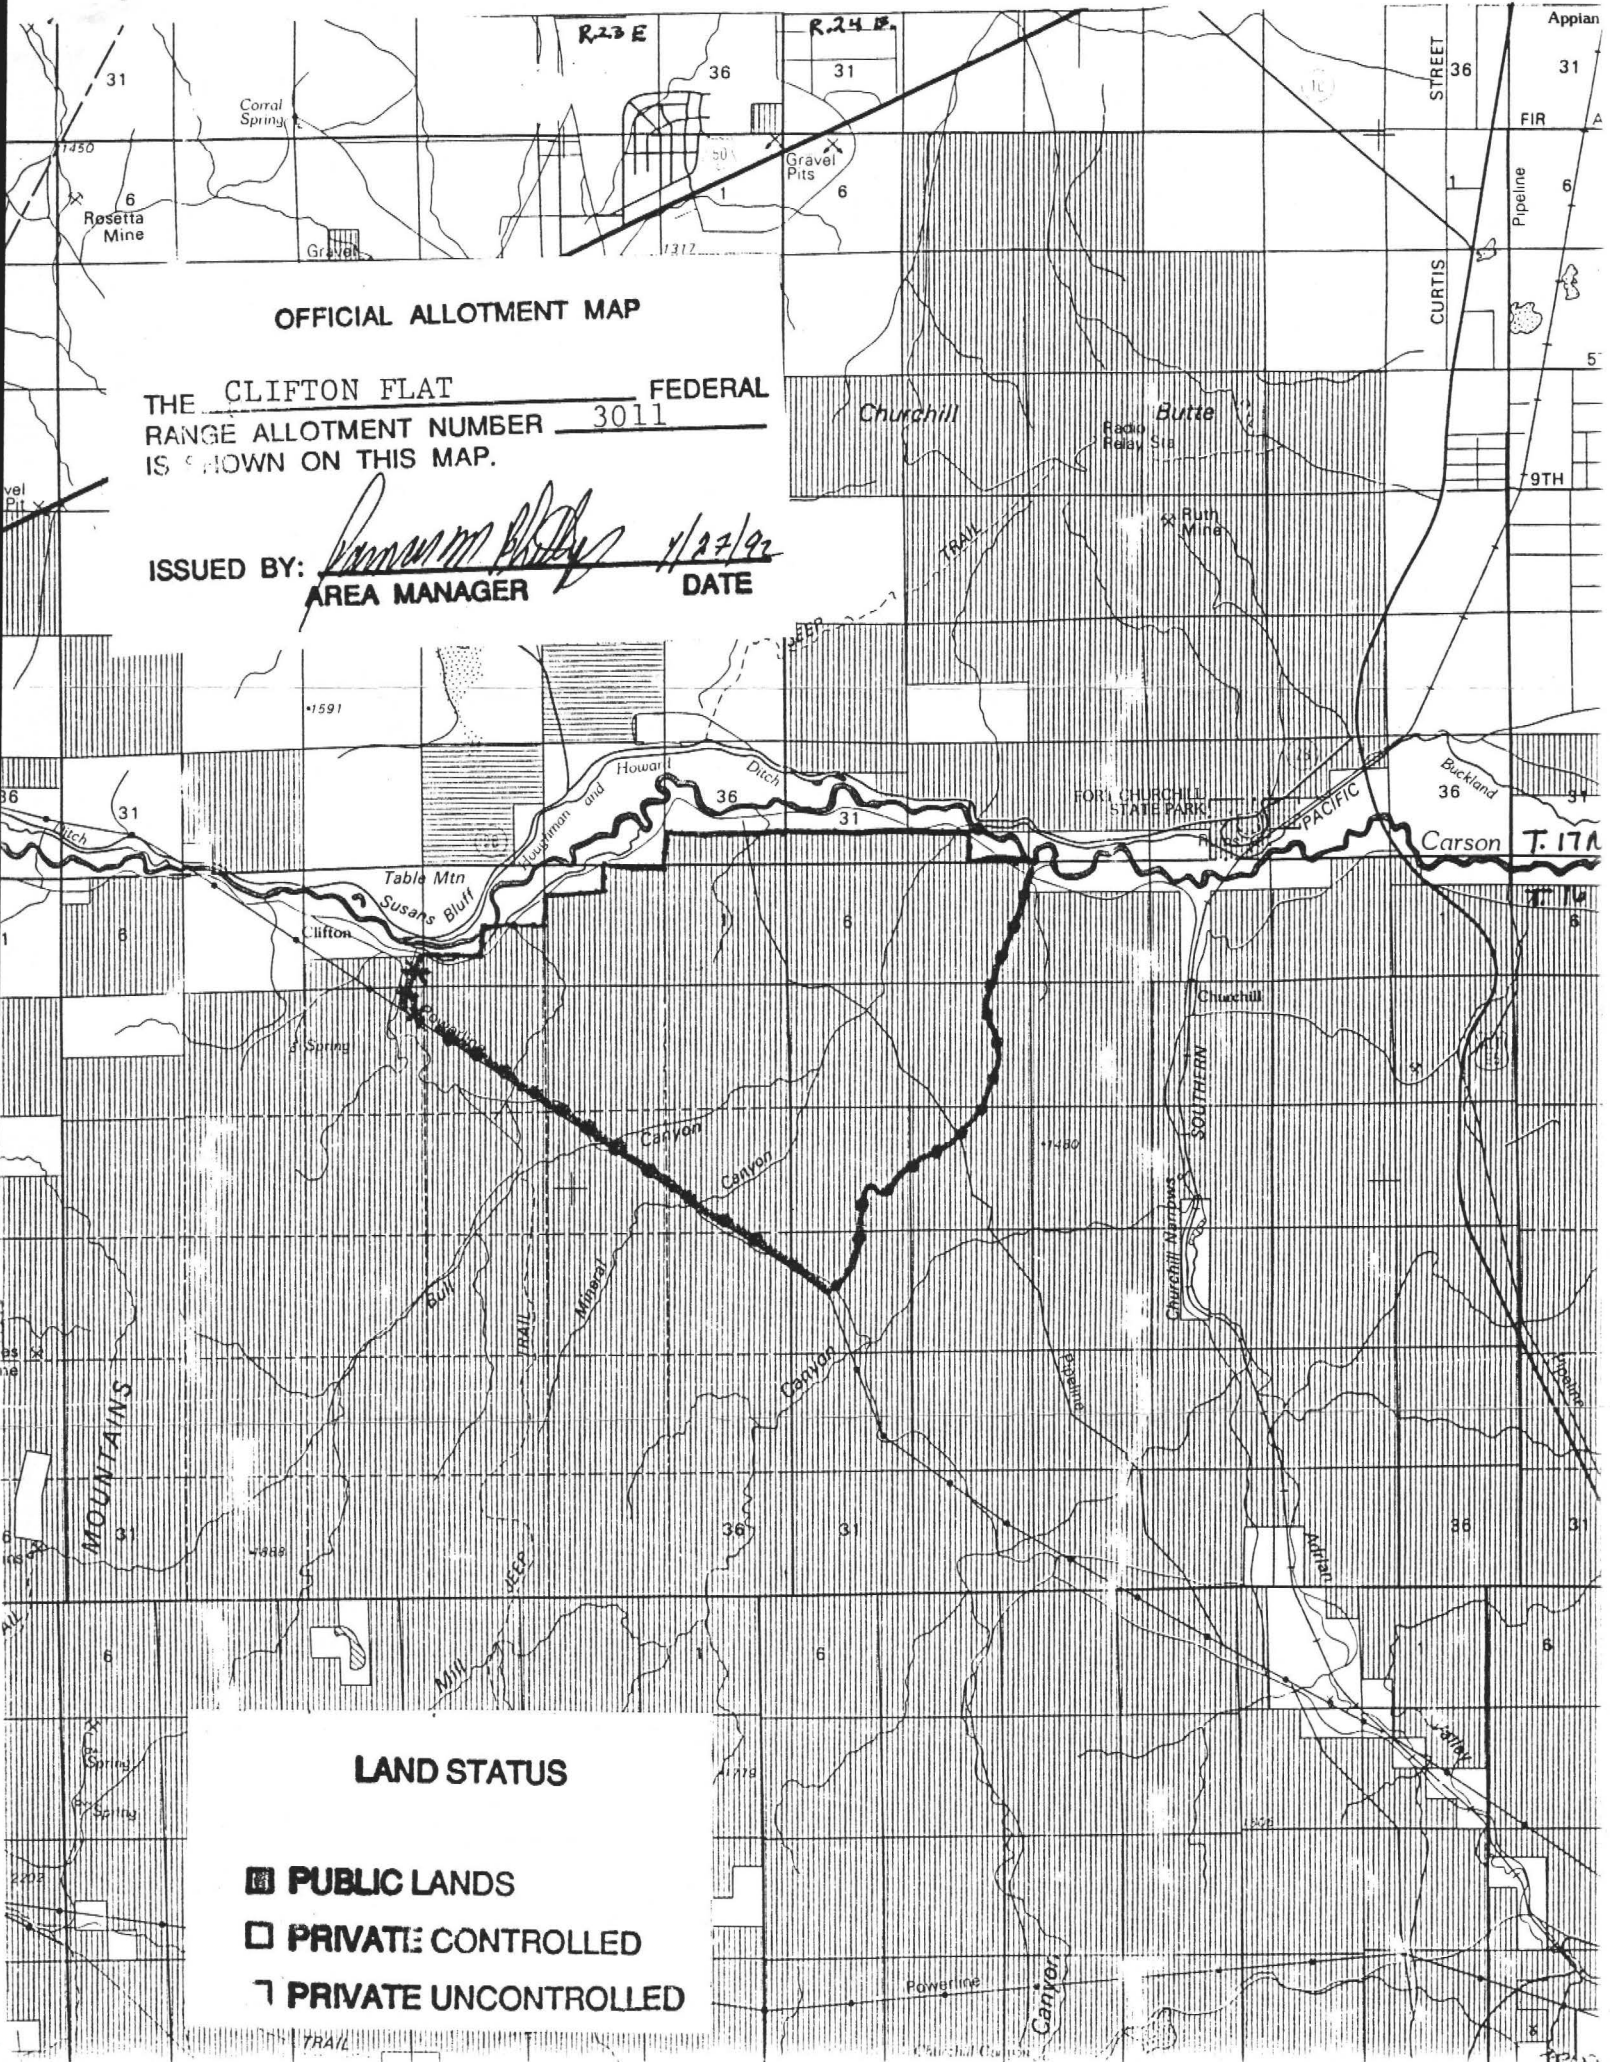

Sincerely,

Katrina Leavitt
Rangeland Ecologist
