Dear Ms. Lappin:

The Caliente Management Framework Plan Step III identified Little Mountain for Wild Horse Herd Management Area designation. Preliminary field work activities will begin within the next few weeks. The draft Little Mountain Wild Horse Herd Management Area Plan (WHMAP) should be completed within a couple of months. Therefore, you will be receiving more information at that time.

Enclosed for your information is a map showing the location of proposed Little Mountain WHMA.

Questions concerning field work and/or draft WHMAP for Little Mountain should be directed to Phillip C. Seegmiller, Caliente Wild Horse and Burro Specialist.

Sincerely,

Darwin G. Anderson
Area Manager
