Dear Mrs. Reilly:

At the termination of the period authorized to gather claimed horses, a total of 380 claimed horses were removed from public lands within the Ely District with a total of \$18,935.06 collected in trespass fees. Of this 380 horses, trespass charges are still unsettled on 22 horses.

It should be noted that these horses were gathered by the Elko District Office under interdistrict horse claims and any data which you receive from Elko will overlap with the above information.

We feel that the horse gatherings went extremely well and were conducted in the most humane manner possible.

Sincerely yours,

Neil B. McCleery
District Manager
