Dear Sir/Madame:

This letter will amend the 28-day notice dated August 6, 1982 concerning the Bureau of Land Management's proposal to gather excess wild horses from the Monte Cristo Herd Use Area in the Ely District. This amendment is issued to reflect a more recent aerial census of the Monte Cristo wild horse population. The gathering of excess animals pursuant to this amendment will be undertaken no sooner than 28 days from the date of this letter.

The proposed gathering, as identified in the January 27 notice, was as follows:

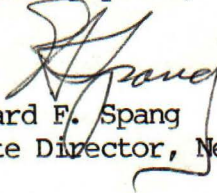

<u>Area Name</u>	<u>Environmental Analysis Record Number</u>	<u>Reason For Gathering</u>	<u>Number to be Removed</u>	<u>Approximate No. to Remain</u>
Monte Cristo	NV-040-7-17	Implementation of the Monte Cristo Herd Management Area Plan	150	72-96

The proposed gathering to be undertaken pursuant to this notice is as follows:

<u>Area Name</u>	<u>Environmental Analysis Record Number</u>	<u>Reason For Gathering</u>	<u>Number to be Removed</u>	<u>Approximate No. to Remain</u>
Monte Cristo	NV-040-7-17	Implementation of the Monte Cristo Herd Management Area Plan	250	115

The proposed gathering area will remain the same as identified on the map attached to the August 6, 1982 notice.

Sincerely yours,

Edward F. Spang
State Director, Nevada
