Dear Interested Public:

We are proposing to issue 10-year term grazing permits to C-Punch Ranch, Inc.; Dufurrena Sheep Co.; John Espil; and Tim Delong on the Blue Wing/Seven Troughs and Majuba Allotments. Terms of the permit are from March 1, 2000 to February 28, 2009. The issuances of these permits are the results of:

- ◆ Changing the Blue Wing/Seven Troughs and Majuba Allotment boundaries,
- ◆ A subsequent transfer of 651 AUMs from C-Punch to Delong and Dufurrena, and
- ◆ Reaching an agreement with C-Punch on their grazing appeal.

As per 43 CFR 4130.2(b), the Bureau is required to consult, cooperate, and coordinate with interested publics prior to issuance of a term grazing permit.

I have included a copy of the grazing permits that has been offered to the permittees for you information.

The terms and conditions outlined in this permit are consistent with the Blue Wing/Seven Troughs Multiple Use Decision, dated December 5, 1994, previous annual licenses, and the Sierra Front-Northwestern Great Basin Grazing Standards. These terms and conditions are also consistent with the Sonoma-Gerlach Management Framework Plan which were analyzed in the subsequent Environmental Impact Statement.

If you have any comments or concerns with this proposal, please contact me in writing by September 30, 1999. If I do not get any comments by this date, I will approve the permits. Please contact Rich Adams at, (775) 623-1500, if you have any questions.

Sincerely yours,

Colin P. Christensen
