Dear Ms. Barcomb:

I am writing you in regard to my recent authorization for Paris Livestock Inc. to graze in the Red Rock Allotment. As per the phone message left you by myself, the application was authorized within the permitted use but was outside the permit dates for the allotment. If you have any questions in the future regarding authorizations of this nature, please call me at (702) 753-0320.

Sincerely,

*for*
