Subject: Red Rock/Bowne Allotments - North Diamonds HMA

Dear Mr. Oke:

Thank you for consulting the Commission for the Preservation of Wild Horses. Issuance of long term permits should be contingent to the present land use planning schedule.

We appreciate your stipulation that commits the permit and Bureau of Land Management to Diamond Mountain's Working Group. Present data indicate a significant reduction in wild horses is imminent. Grazing practices may need adjustments in the near future.

P.S. Note new address.

Sincerely,
