Dear Ms. Barcomb:

Enclosed is the map we discussed during our conference call on May 12, 1994. The map depicts the allotment boundaries in relation to the four herd management areas in the Wells Resource Area. The HMAs are highlighted in orange. Hopefully this map will assist you when reviewing documents from the Elko District Office.

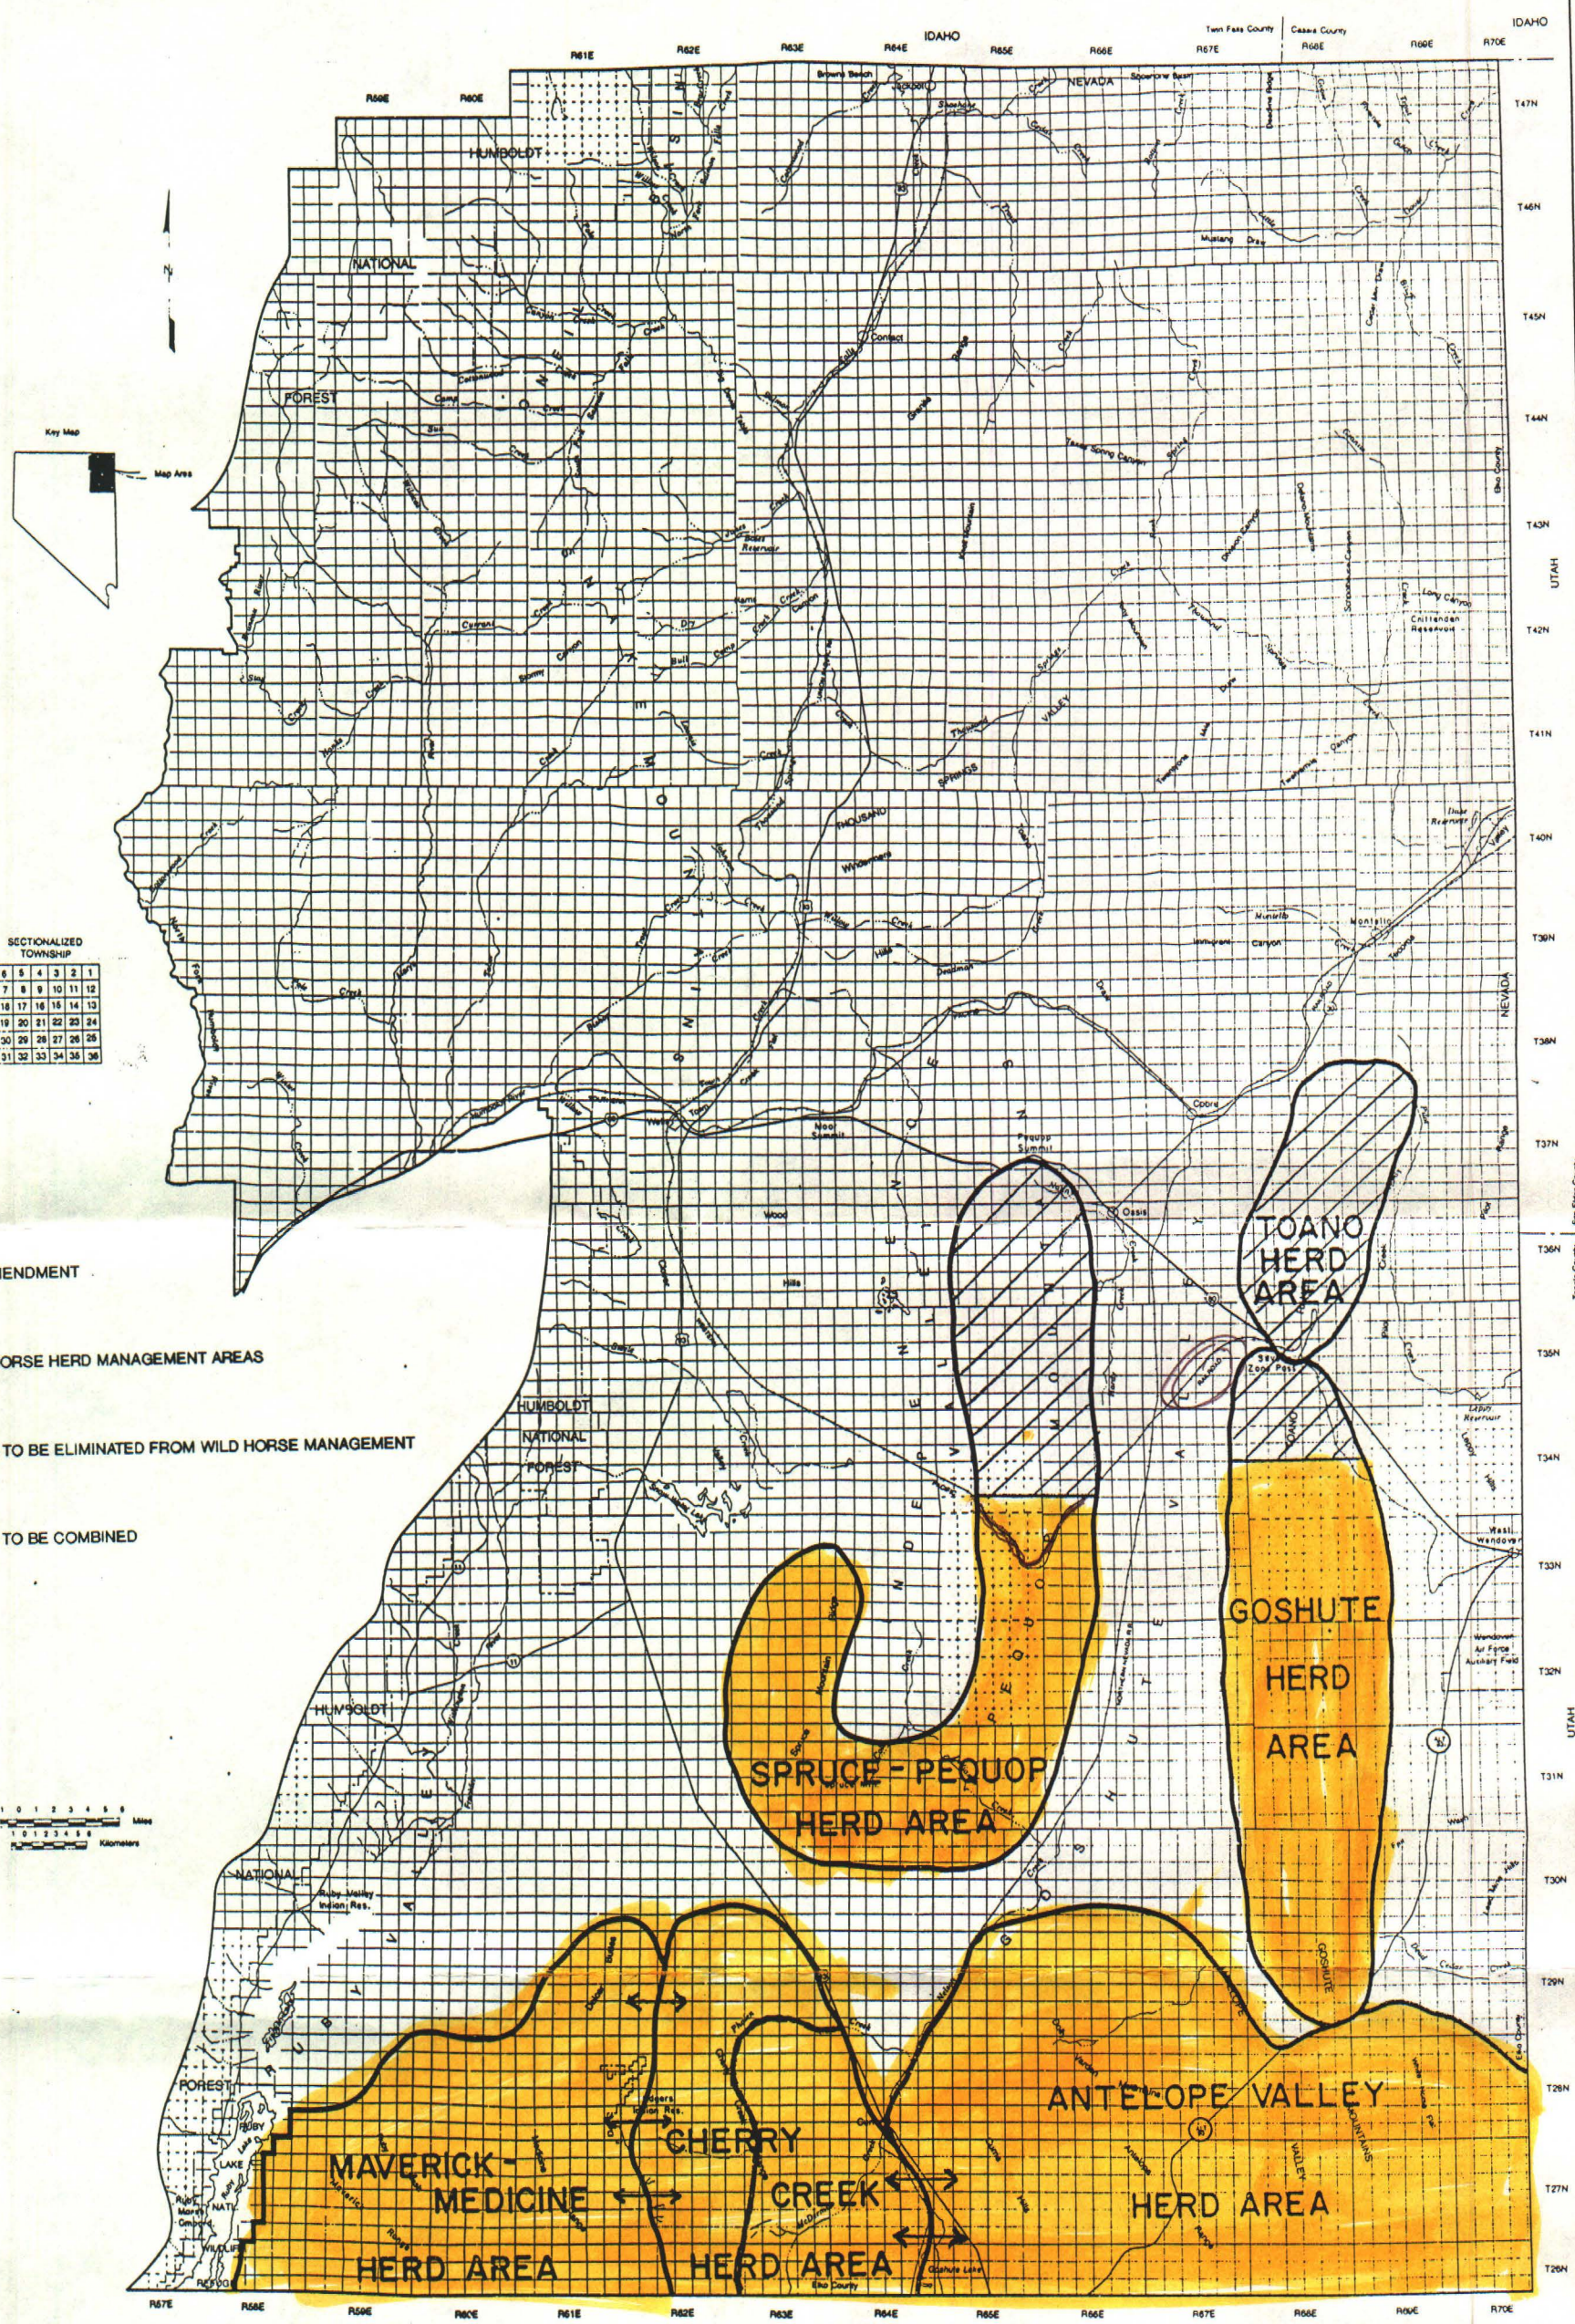

If you have questions, please contact Kathy McKinstry, Wild Horse Specialist, at the above address or phone (702) 753-0200.

Sincerely yours,

Skip Raitt

RAILROAD?

Are you going to give horses new areas for elimination of dd?
