Dec 5th 1865.

Dear Will.

Thanks for your trouble.
The report was very satisfactory -

I liked the knives the best -
the one for three and a half
I thought quite pretty - what is
the one for one and a half -? I will
send you five dollars and you
can get the knife you like
best - and have it mended -

B. D. Kessell - and bring it
with you Wednesday - If you
think the \$3.50 pretty enough -
you can get it - I want a
nice one -

B. D. wrote me he was going to
attend school - I laughed well -
but was very glad to hear it -

I am very fond of dancing
myself - and have often
wished that he could -

How nice he gets along & you
must tell me about it when I
see you -

I've been to Church 2 days - and
feel tired enough - but some like
B. D. for he does not like to have
me play - but I have to - they can
get no one else -

Father and Mother send love
Thanks Miss Mary - for
remembering me - I look quite
a fancy to her - Remember me
to her and S. W.

With great love with a kiss
from your
Sister
Hattie

been one in the rain
