

Visalia, May 31st, 1892.

John Sparks Esq,

Dear Sir;

I arrived home safe this morning, and found a letter from J, Eggers assessor of Elko County asking me to give in the stock of the Sparks Harrell Co.

I send the list for you to fill out as you know more about that business than I do.

The applications for the Tucker and Hill land have been filed, I will get deeds to the land and send same to Elko for record.

As I have no other news to write will close, by hoping you find every thing O.K. on the ranch,

Very truly yours,

A. J. Harrell
