Hon. John Sparks,
Reno, Nevada.

Friend Sparks,

I have just learned definitely of your election as Governor of Nevada and wish herewith to tender you my hearty congratulations. I watched the reports from your state closely and was deeply gratified when I learned of your success. I feel that the state of Nevada is as much to be congratulated as yourself on your election. After I learned of your nomination, I spoke with many of your acquaintances and every one of them stated that they earnestly hoped that you would be successful. You can hardly know how much in-

trust your Texas friends felt in
your race.

I had the one you gave
me from your mind assayed
when I returned to Llano and
it was simply splendid.

Giving my kind regards to
Mrs. Sparks and to Miss Maud,
I cannot just now recall the
name of her husband.

I am now holding court
at this place. My term of office
will expire about the last of
December - and am glad that I
will again feel free.

Accept my high appreciation
for your kindness to me when I
was in Reno and my best wishes
for you at all times.

Your friend,
W. H. Stator.
