Mr Charles Sparks,
Reno
Nevada.
South Virginia St.

Peas New-
Saturday.

Dear Charles: - I wish I
could tell you in words
just how deeply I feel for
you in your sad bereavement.
Words are expressless, you
know. When soul suffers
with soul.

And so, Charles, know
that my thoughts have been
with you and yours con-
tinually and shall remain
so. Also that if there is any.

thing in the world I can
do, I am always ready.

Yours in deepest sympathy.
Cecyl.
