Mr. Chas Sparks.

Dear Friend:-

Enclosed you will find application for Lamoille creek, the same as our permit calls for.

Have got a five and a half foot weir in the creek, was a very difficult, and expensive piece of work. we had to walk four miles to work.

Think we will be able to start something in the spring. Charlie wish you would send me the permit by registered mail.

Might be a good idea for you to call on the State Engineer and find out what is going on.

Bonnie is at Morenci Arizona. Let me hear from you soon.

Sincerely,
