OFFICE OF

F. L. WILDES
DEPUTY

STATE TREASURER

CARSON CITY, NEVADA, May 22, 1908

My dear Charles:-

Just a line or two by which I wish to extend my heart-felt sympathy to you in your sorrow. We all know that it must come to all of us sooner or later, but still that does not lessen the grief that follows it. I am very sorry for your mother, yourself and your brothers as you have had taken away from you one of the best and most honorable men I have ever known.

Kindly extend my sympathy to your mother and brothers. I am a very poor hand at letter writing so hope you will excuse the length of this note, and believe me to be,

Very truly yours
Ray Corbett
