GLENBROOK, LAKE TAHOE, NEVADA,

Apr. 20. 1908.

Friend Charlie,

You be surprised to hear  
that I am working at present  
at Glenbrook, Lake Tahoe,  
You know, that I got broke  
in Nevada and could not con-  
tinue prospecting, as Mr. Wheeler  
could not afford to keep me up.  
I have several good claims in  
Smoky Valley and expect to go  
there next year, to work on them.

Friend Charlie would you use  
your influence to get me on the  
State police force? You know  
I am Nevada Volunteer in  
Spanish War, and should stand  
chance to get on.

Please answer at once as I  
don't know how long I am going  
stay as pay is small and work  
pretty hard.

Yours as ever  
Glenbrook, Lake Tahoe, Nev. Alfred H. Weber.
