MEMOS FOR MAY

Goodwill Industries of San Francisco
May 19, 1950

MONDAY MASS MEETING - 8:30 to 9 a.m. in Recreation Room. Everybody who can possibly do so please come. Transportation will be provided from plant to 2279 Mission Street for folks from that store. Remember the time - Monday, May 22, at 8:30 a.m.

HAS THE CENSUS TAKER FOUND YOU? The Census is nearing completion. If you have not been counted, please see Miss Keplinger, Miss Skinner, Mrs. Tait or Mr. Chancy for information needed for the Census.

CHAPEL SERVICES scheduled for next week are as follows:

Tues., May 23, Rev. V. L. Churchill, Calvary Church of the Nazarene.

Thurs., May 25, Rev. Paul Cox, Trinity Presbyterian Church.

GAS & ELECTRICITY rates in San Francisco are increased 6% this month. Will janitors and watchmen and others responsible for using electricity in our building please see that lights are turned off when not needed. Our power bills are tremendous.

TELEPHONE CALLS. We are finding on our telephone bills that many out-going calls are unaccounted for. The telephones here are for company business. When persons desire to make personal calls this is permitted as an accommodation and such calls are to be paid for: Local calls are 5¢; transbay calls are 10¢ or 15¢. All out-going calls have to be accounted for to the switchboard operator. No telephone calls are to be made on the Company phones after 5 p.m. except for emergency company business. There are pay telephones at the corner of Sixth and Howard Streets for those who must make personal calls after our board is closed.

HOLIDAY: Tuesday, May 30, Memorial Day, will be a Holiday. New employees please note that if a person is absent the day before or the day following a Holiday, you will not be paid for the Holiday.

PLEA FOR THE WEEK

PLEASE remember to PUNCH YOUR OWN CARD
EVERY morning and night:
Punch your CARD
Punch YOUR card
So EVERYBODY'S time will be RIGHT.

- Our Chapel -
 The organist softly playing -
 quipped notes so clearly saying
 "Come out and sing with us and pray
 and led us start a lovely day."

When supper is in walk to and -
 There a bright light - a bright and
 pure beautiful - spoken words of beauty -
 that helped me in our church and
 was good in our church today

Here, did you recapture release
 and have been and give you peace
 Or if there's joy within your heart
 Give two fold thanks and then impart
 That self-same joy to others who
 Has not found Christ
 may not know not Christ - as well as you,

Beauty

I want to tell you about our Service. With us its not merely our Service Dept but service in our ~~the~~ institution a watch-word

for instance our motor analyzer which detects anything that may develop in your car -

and our - well please let me call for you and bring you in - let you see for yourself our service - in all its competence - and what we can

do for other Chrysler-Plymouth owners.

We will do it for you too.

My home phone is 2449.

Hotel name

Dear Sir—

as well known as Chrysler and Plymouth cars
and, there are many new, fine engineering
features in their 1937 models that the public
in general has not become acquainted with.

Won't you let me call for you, or meet you
at our place of business and so that you may
"get behind the wheel" and really drive
and ride in one of these fine cars.

Double acting, low pressure, hydraulic shock
absorbers of the Arco type — body floating on
springs of new leaf rubber are only two of the
new features.

Our sales rooms are open until 9:30 every day & until 6 on Sunday.

No High Pressure.

You would not think of removing your present
full ballon tires or air wheels and going back
to the old high pressure tires of years ago.

Why not?

Because they are obsolete!

Neither will we think of trying to push you into a
buying a car.

There is another, better way. I don't say its new
nor is it original. We let the car do its own selling!

Please phone me if you can help — Mi 3236 — or come to
