Feb..1, 1909.

Mr. C. M. Sparks,

Box 467,

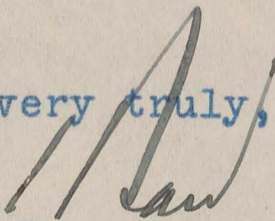

Reno, Nevada.

Dear Sir:

Will you advise us how you stand on the fur proposition?

You asked for our catalogue, but so far have ignored our letters. We will appreciate if you will use the enclosed stamped envelope to advise us whether or not you are supplied with furs. If you have not, we shall be glad to send you additional information from time to time.

Yours very truly,

The Plymouth Fur Company.
