Dear friend Charles I got in
from Reno this evening & saw
your mother & the boys & they
told me that you had a
job over in Cal oil fields
& was getting good wages
& liked the country & I think
that is a good place for the
winter Reno looks awful dead
at present & I think it
was the best thing you could
do & I got your big game old
hobby I will take good
care of it & I would like
a trip & will send it
when ever you want it
& I will be pleased to hear
from you at any time & tel
