My Dear Friend,

Well, I assured her
I'd get you down with
corn. We have a lot
of a good thing. We are
fishing for 4.0. & 10 in pipe.
All but the same hole.

That's more of a job
isn't it. Have it old
man Bill Puckham,
getting along fine & paper,
We're having an all kinds
of game, well pretty girls
up here you see. A couple
came to see our cook nearly
every night. Well Chas
I am in writing to all of
my good relatives

tonight and that takes
up a lot of paper you know.
I believe the Co will start
several rigs soon.

Love the little white headed
Angel my regards,
L.A.

Yours friend
C.B. Ferguson,
