Mr Chas. Sparks

Rosa Wooda.

Dear Chas. Guess you have decided that I am not going to write at all. Well I will surprise you once. Say old boy I heard that you was going to Alaska. Would like mighty well to see you before you get away. Hope you are successful there and you dont want to forget to write. I was in Manicopa a few days ago and collected a few skins from the Manicopa Fil Co enough to buy some clothes and took in to the Angiola four hundred. Am billing right for the Layne and Bowler Co. Wish you could be with me some Sunday fishing its fine.
