Mr. C. M. Sparks, dear
Friend I received your
kind & welcome letter &
am glad to hear from
you. we tested that rock
with bricks as it & it
stands the test. & we have
2 more assays to be done
we can see the gold with
your eye, but we want to
know how much there
is a ton, it looks good
to us good enough we are
a going to stay with it if
we had to live on rabbit.

I am as ever

Wm Walters
