Dear Sir:

If you desire the attention of the U. S. Postal Authorities called to the manner of your use of the mails it can surely be done.

You were never employed by the Southern Investment Company, Inc., or by anyone connected with that Company, in any capacity whatsoever. And no one connected with the Southern Investment Company, Inc., is, or ever has been, indebted to you in any form or amount. If you know anything, except the interperate use of incorrect English, you know this to be exactly true.

If you can show any regular employment by the Maricopa Oil Company, or British-American Oil Syndicate, Ltd., or that you rendered any legimate service to either corporation for which you would be entitled to pay and that you have not received said pay, you can easily obtain settlement in a usual and proper way.

Very truly yours,

SOUTHERN INVESTMENT COMPANY, Inc.,

By 

President.
