Dear Lee - "Old Scout"

How's how? Poor Vernal,
+ wasn't he the finest fellow you ever knew.
Something queer then. He wasn't such a big
damn fool as all that! Was he? We ought
to know, dont you think so?

For christ sake answer this, or I won't
take trouble to look you up when I come
through Reno, next April 09. Sure!

Manila is an exact model of hell
+ bugs galore, + rotten natives, I could kill
a few for an appetizer every day, with joy.

I'm lonesome as hell, you know I
thought the old scout Vernal would be with
me now. But, oh well, it's all in all!

Well Bye Bye - old kid
