Yet joy that thou art free
Amid earths conflict woe
and care when our
dark path appears

'Tis sweet to know thou
canst not share - our
anguish and our tears
that on thy head no
more shall fall the storms
we may not flee
yes safely sheltered from
them all we joy that thou
art free

For thou hast gained a
brighter land and Deaths
cold stream is past these
are the joys at Gods right
hand: - ~~that~~ shall for ever last
an angel's brow thine eye the
king doth see: Thy home
is with the Seraphs now
We joy that thou art free

for the mourners

Time has not power
to bear away thy Image
from my heart
No not the Scenes that mark
lifes onward way can bid
it hence depart

Yet while our Souls with
anguish riven
mourn loved and lost for
thee We raise our tearful
eyes to Heaven

An joy that thou art free

We miss thee from the band
so dear that gathers round
our hearth

We listen still thy voice to
hear Amid our household
mirth: We gaze upon thy
vacant Chair: — Thy form
we seem to see: We start
to find thou art not there
