My Dear Charlie
In looking
over the Baltimore paper
of today. my Eyes rested
upon a picture of the
Governor. Your Dear Father
and was much shocked,
when I read of the Death
by Brights Disease. of this
great, good and noble leader

I have been stoping in
Balto. for the past week
and no later than last
Sunday. a Letter from
May Dunlop was forwarded
me saying the Governors
had returned Home from
California, and was improved.
I was elated with the news
May's Letter bore.

only to be down-cast with
sorrow. with what I find
in today's paper.

I can readily sympathize
with you, and yours.

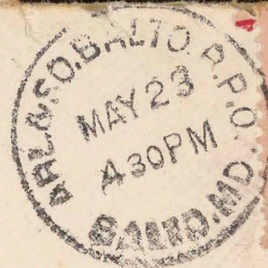

For I too have experienced

the loss of a good Father.
my Heart bleeds for your
Dear Mother, and you all
in your sad bereavement
for the blow is an
extremely sad one not only
to the Family. But to
the whole State of Nevada

I am with kindest regards

Yours truly
Roy Evans
Laurel Md.
