

John wrote
me that he has
written a large
room as well
as a number of
houses for us.
in the next part
of your article
he says we have

Am glad you had such a
nice hunting trip

Dear Charlie. It seems as good
to be home again and everyone
detayed all night with Doyle last night
and so it was the first place we
had for a visit we talked until
the early morn telling all
about it. I wont be over to Reno until
the first week of Sept & will get
