

Answered

Mr. Charles M. Sparks.
Reno,
Nevada.

Dear Charles -

Words can't express the
grief I felt when I heard of your
father's death - and Charles
it seemed so much more ter-
rible because I am so happy
and realize so keenly what
such a blow must mean to
you.

You have the consolation
& benign hope that you will

always a good, loving son and did
your part toward making his life
happy and that is more than the
whole world could do. now that he
is gone.

Please tell Seland for me, how much
I sympathize with him and how I
know he will be as much help to your
mother as no one but a boy with his
disposition can be.

I may not see you again Charles
before we leave. We will probably be
married in Ireland on June fourth, but
please remember, wherever we may be,
that the new home will always have
a place for you and all your dear
ones.

Believe me when I tell you again

how much I sympathize
with you all and remember
me to Benton and his wife
and your mother -

Always sincerely.

Ethel Louise Morgan.

Truckee.

May twenty-sixth.
