

UNIVERSITY OF NEVADA

JOSEPH EDWARD STUBBS, PRESIDENT

RENO, NEVADA

September 13, 1911.

Dr. J. E. Church, Head of Department  
Climatology and Meteorology,  
Nevada Agricultural Experiment Station.  
Reno.

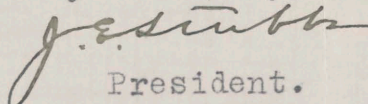

Dear Sir:

I have apportioned to your department for the year ending June 30, 1912, the sum of \$1400.00 from the fund entitled: Part of the Expenses for Maintaining Mount Rose Observatory.

You will understand that this amount is subject to ten per cent. off as an emergency fund.

I am, believe me,

Yours very sincerely,

  
President.

JES/T

UNIVERSITY OF NEVADA  
JOSEPH EDWARD STUBBS, PRESIDENT  
RENO, NEVADA

August 23, 1911.

Dr. J. E. Church,  
Department of Meteorology and Climatology,  
Reno, Nevada.

Dear Sir:

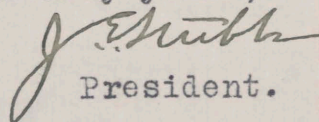

Including the salary for yourself and for Mr. Fergusson and the expenses of the Department of Climatology for the year ending June 30, 1912, I am allowing the following:

From the Adams Fund -	\$5046.00	
From the State Fund -	<u>777.00</u>	<u>\$5823.00</u>

These amounts are itemized in your report of which I presume you have a copy.

Wishing you great success in your station work for the ensuing year, I remain

Very sincerely yours,

  
President.
