

358 Washington St.,  
April 25, 1920

Edgar T. Ward's Sons,  
Boston, Mass.

Gentlemen:

On looking over my correspondence I see that I promised to write you regarding your last shipment. It was very satisfactory, indeed, both in gage and in length.

The account thus stands

Total \$116.39	
Retd. 198.7 ft. . . . .	\$ 53.34
Prorate freight to Reno . . . . .	12.83
	<hr/>
	\$ 66.17
Bal. \$ 50.22	

Unless you feel that you should not refund the freight.

I still find approx. 33 feet on hand that should have been returned with the other shipment. This was an oversight on our part.

As said in my last letter, the bill for cost of samplers has gone forward to the Engineering Dept of the State of California but owing to the illness of Mr. Norboe, who is handling the snow work, I fear that the payment will be delayed. So please charge sufficient interest on the account to fully reimburse you for all delay past and present - or, if you are unwilling to wait longer, I will pay you personally.

Please let me know soon, for no word has come in answer to my earlier letters.

Very truly yours,

John Ward, Treasurer.  
Personal.

*P.S.: A letter has just been received from Mr. Heath asking that a tracer be sent for the 2 crates of tubing shipped to New York. They were shipped from Reno March 10. Freight is very slow this winter. But the Southern Pacific Co. has promised to send the tracer desired.*

Dear Sir:-

Under date of March 5th we wrote you in regard to your account. To date we have received no answer. We do not understand this and trust that you will make immediate response to our request for a check for December account amounting to \$52.37.

Very truly yours,

EDGAR T. WARD'S SONS CO.

Dear Sir:-

We have written several times in regard to your account for December and February \$116.39 both to you and the State of Nevada Corp. Snow Survey. Our terms are net cash thirty days and it would seem that this should have been paid long ago. Won't you kindly see that check is forwarded to us at once? If we are to supply you tubing in the future, it is necessary that we now have this account paid and we trust that you will see that the matter is taken care of promptly.

Very truly yours,

EDGAR T. WARD'S SONS CO.

Dear Sir:-

Your communication of April 25th at hand, and we thank you very kindly for the same, and are pleased to note that last shipment was very satisfactory.

We beg to advise that we are today asking our New York store if they have as yet received material returned to them, and if so to forward us a credit at once so that we may in turn credit your account and get the matter straightened out.

As soon as we have a reply from our New York store we will advise you further.

Very truly yours,  
EDGAR T. WARD'S SONS CO.

Dear Sir:-

Following up our letter of May 6, we are to-day in receipt of a letter from our New York office stating that they have not as yet received the Steel Tubing which you advised you had forwarded to them.

Trusting you will do all possible to trace material from your end, we remain

Very truly yours,
