Dear Friend Al:-

Just a little surprise
for wright now I'll bet you
could not guess who in the
world writes such a poor letter

I heard some time ago
that you had gone to L.A.,
and I envy you wright now
for it is raining here, and
very cold for Reno this time
of the year.

Dr Church called up this
evening and told me that he

So Al I would be very glad
to hear from you.

The bill was (lest' you have
forgotten) \$49.50.

I have tried out the desert
sands since I saw you last
and found them d - m warm.
But came out looking the
worse only. I have ^{had} my money
worth alright.

I would be very glad to hear
from you Al

Respectfully
Harvey.

was going on his vacation.
I am very sorry to say that
I have not been paid for my
work yet. Of course I felt sure
right along that I would get it
But now I am beginning to
wonder when.!? I am sure
Al that it is no fault of yours
for I understand you better
than that. Dr. C. also told
me that he was going to deposit
some money in the bank in
Teno. That I should tell you
this and you would settle
with me.
