Dr. Church:

Car expense for the April snow surveys this year should be paid as follows:

Marlette Lake, Art. Gay	\$ 3.00 ✓
Truckee, Kenneth Knopf	3.00 ✓
Big Meadows, K. Knopf	3.00 ✓
Mt. Rose, K. Knopf	3.00 ✓
Mt. Rose, J. Howell	<u>3.00</u> ✓
Totals	\$ 15.00

Total Payable to Kenneth Knopf	12.00 + 3.00
" " " Jack Howell	3.00

I have allowed no car expense for the Crystal Peak trip as that is just west of Verdi and is not a hard trip for the car. However if you feel as if we should pay for one day on this trip we can give him the extra three dollars. Knopfs car was used on this trip also. I have allowed only one days use for the Marlette Trip and the Mount Rose trip.

I do not know about the car expense for Fred Herz's car for the Tahoe trips. I understand that he has always volunteered the use of his car.
