An Ordinance providing for licensing, regulating and controlling the business of dealing in second hand goods, wares, merchandise or junk of any kind in the City of Reno; fixing a license fee therefor, and matters relating thereto; fixing penalties for the violation thereof; and repealing all ordinances and parts of ordinances in conflict herewith.

The City Council of the City of Reno, do ordain

Section 1. Section 2. Applications for such license shall be made annually

by petition to the City Council, by the Applicant, and filed with the City Clerk, and such petition must state definitely, the particular place at which such business is to be carried on. The applicant shall also file with the petition a bond running to the City of Reno, for a period of one year, conditioned that during the continuance of such license, and any renewals for one year, he, she, they, or it will comply with the provisions of this ordinance, and will pay all damages, fines and forfeitures which may be adjudged against him, her, them, or it, under the ordinances of the City of Reno; which said bond shall be in the sum of One Thousand Dollars, with two or more individual sureties. City Ordinance No. 135

An ordinance empowering and directing the City Assessor of the City of Reno, Nevada, to levy a special assessment to defray the cost of grading and laying cement sidewalks in the district known as the First Ward in the City of Reno, according to the plans and specifications therefor on file with the City Clerk of the City of Reno, stating the amounts, and designating the lots and premises to be assessed, and other matters pertaining and relating thereto, and repealing all ordinances or parts of ordinances in conflict herewith.

The City Council of the City of Reno do ordain:

Section 1. For the purpose of defraying the cost and expense of grading and laying cement sidewalks and improving the district known as the First Ward in the City of Reno according to the plans and specifications for sidewalks on file in the office of the City Clerk of the City of Reno, the City Assessor of said City is hereby authorized, empowered and directed to forthwith levy the special assessments in the

amount and amounts hereinafter specified, upon the several lots and premises hereinafter designated. Said special assessments shall be levied pro rata upon the taxable lots, property and premises fronting on said proposed improvements, in said First Ward in proportion to their number of feet fronting thereon.

Section 2. The City Assessor shall assess each lot or parcel of land, or such portion of the whole amount to be levied as the length of front of such premises fronting upon the improvement bears to the whole frontage of all the lots and premises to be assessed, and the frontage of all lots and premises to be assessed shall be deemed to be the aggregate number of feet, determined upon for assessment by the City Assessor.

Section 3. When the assessor shall have completed the assessment herein provided for, he shall report the same to the City Council, in the manner provided by law, and upon receiving such report, and assessment roll in the office of the City Clerk, the City Council shall cause notice thereof to be published for two weeks at least in some newspaper in the City of Reno, of the filing of the same with the City Clerk, and appointing a time when

the Council and Assessor will meet to review the assessments; and any person objecting to the assessment may file his or her objection thereto in writing with the City Clerk.

Section 4. At the time appointed for the purpose of reviewing said assessments, and considering any objections thereto filed in writing, the Council and Assessor shall meet, and then, or at some adjourned meeting, review said assessments, and will hear any objections to said assessments, which may have been filed as aforesaid by any person deeming himself or herself aggrieved thereby, and will decide upon the same, and will correct the same as to any assessment or description of the premises appearing therein, and will confirm it as reported, or as corrected, or will refer the assessment back to the City Assessor for revision, or annul it, and direct a new assessment to be made.

Section 5. Upon the confirmation of said assessment, and assessment roll, all assessments shall be at once due and payable, and from the date of said confirmation shall constitute and be a lien upon the respective lots or parcels of land assessed,
