LINCOLN MEMORIAL SERVICES VERY IMPRESSIVE

Life of Lincoln Interesting

LINCOLN MEMORIAL SERVICES IMPRESSIVE

Very Interesting and Instructive Addresses Heard by Large Audience

On Saturday, February 11th, the University of Nevada celebrated the death of Abraham Lincoln—the negro emancipator and the greatest and best politician this nation ever had.

The program of the Lincoln memorial services were held in the gymnasium, and is as follows:

Selection by the Cadet Band.
Address by Governor Tasker L. Oddie.

Selections by the U. N. Glee Club.

The Life of Lincoln, by Sam Belford.

Selection by the Cadet Band.
Address by Gilbert C. Ross.
Talk by Clay Tallman.

Address by August J. Frolich.
Address by Regent A. A. Codd.

The feature of the afternoon was the "Life of Lincoln" by Samuel W. Belford of Ely, Nevada. The address was complete in every detail. Lincoln's life from his early childhood to the wonderful work he carried out in uniting a broken nation, was dealt with by the speaker.

Mr. Belford's speech was one of the most instructive heard in the gym. in years, and deserves a

great deal of credit for the way he delivered it.

The Sagebrush will endeavor to publish this speech in its next issues, but owing to lack of space we are not permitted to insert any here.

Governor Oddie delivered a short address upon the political usefulness of President Lincoln.

Following the addresses of Gilbert C. Ross and August Frolich, president and speaker of the Senate and Assembly respectively, Honorable Clay Tallman "talked" upon the needs of the University and the general attitude of the Legislature toward the University of Nevada.

He said, in part:

"The Legislature demands progress and a fair deal, and along the lines of true manhood and womanhood. The Legislature is, I believe, friendly toward the University, and is not going to support the University unless they see good work being done. They believe that good is being done and intend to help the University all they can."

Regent Codd spoke upon the general needs of the U. of N. and promised for the entire student body and faculty that the Legislature would receive the best results from the "Fattest Pickaninny" and urged especially that the University guests attend the social given Saturday night by the U. N. Social Club.

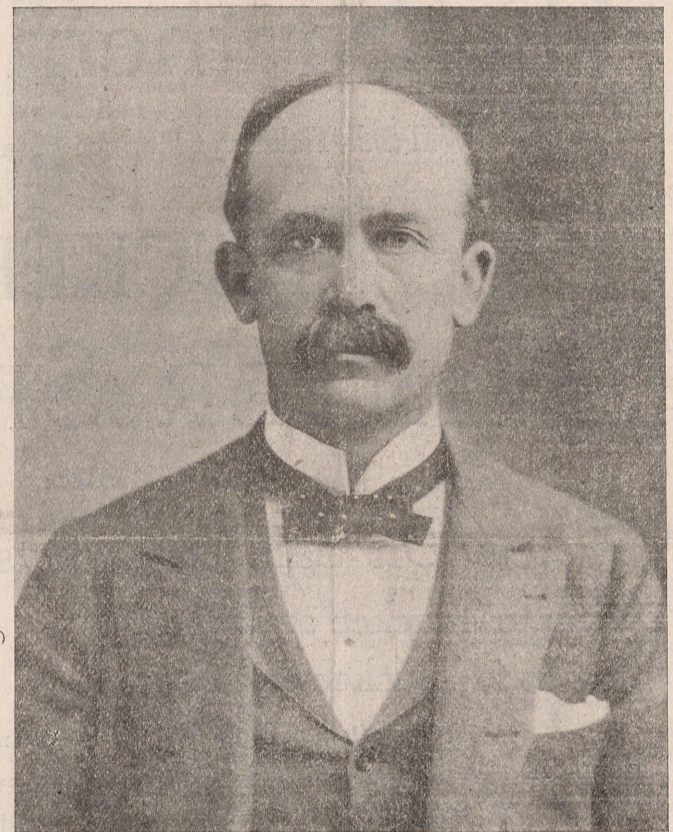

Dr. J. E. Stubbs returned Friday from an eastern trip, lasting six weeks. The doctor is glad to be back home and to see familiar faces again.

While in New York Dr. Stubbs planned for a celebration on commencement day, 1911. This year's commencement will be the 25th anniversary of the U. of N. in Reno. Commencement week will include many receptions, parties and banquets, as well as the annual Senior ball.

are to be installed according to the latest and most efficient plans for landscape gardening.

Dr. Stubbs said "In regard to the U. N., I think that when Mr. Mackay visits the University in May, he will make several announcements that will concern the students and faculty in a great degree.

"In regard to the continuance of an active army officer at the U. of N., I saw Senators Nixon and Newlands, who consulted the

DR. J. E. STUBBS

Mr. Clarence H. Mackay will be present with a party of Eastern friends during the entire commencement week. The party will include Col. Geo. Harvey, Dr. Blake, Mr. Martin Littleton, Mrs. Mackay and Mrs. Vanderbilt (nee Virginia Fair).

Judge Frank H. Norcross of the Supreme Court of Nevada has consented to delivering the Commencement address.

Mr. Mackay intends to send his landscape gardener to Reno early in May to lay out the grounds and plan several improvements on the campus. These improvements

Army Department, and I firmly believe that the department will decide to allow the U. of N. an active officer with 100 cadets instead of the present requirement of 150.

"Dr. Pritchett assures me that in a year or so the University of Nevada will be allowed to share the benefits of the Carnegie foundation fund for the advancement of teaching.

"While Dr. Pritchett was in Reno last March he seemed well impressed with the progress of the University of Nevada and reported favorably."

FAST BASEBALL TEAM THIS YEAR

The baseball outlook at the University is the best that has been experienced for many years. Until this year the University has not produced a team of sufficiently high calibre to meet the teams from the universities of California. On March 9th and 11th, 1911. A double-header has been scheduled at Stanford and Berkeley, and Nevada's chances against these teams are good.

From 25 to 30 candidates appeared in suits for practice every night last week, and it is the endeavor to develop a first and second team. Later in the season games may be scheduled for the second team. This gives the coach a chance to get in touch with material for next year's team.

At present the following candidates have enlisted for the various positions on the team:

Catcher — Fletcher, Harriman and Hamilton.

First base — Breeding, Goldsworthy, Bennett and Anderson.

Second base — Turner, Cameron and Henderson.

Third base — Pruett, Delahide and Reynolds.

Short stop — Pennell, Myers and Sheehy.

Left field — Grayson, Shrapps, Settlemyer and Carville.

Center field — Scott, Heward, Manion and Cazier.

Right field — Sheehy, Harriman and Smithers.

Pitcher — Manion, Turner, Brayson, Scott and Carville.

The players are being put through a hard training. Practice games between two selected teams are held three or four nights during the week. If you don't think Nevada has material for a winning team, come out and see a little real baseball. The team practices from 4:30 to 5:30 every evening. The selection of the first team will be put off until a week or two before the California trip.

U. N. Preps vs. Faculty

Preps Were Winners by Superior Practice and Sureness on the Floor

Last Friday night saw an enthusiastic crowd in the U. N. gym to watch the faculty and U. N. High School play basket-ball. The men were all fast and showed a keen interest in the game.

In the second half the two teams warmed up and a hard-fought game started in the second half.

Haseman and Cottrell, the two centers, "mixed" several times for the ownership of the "big baseball." The faculty had the advantage in the first half but were outshone slightly in the second by the Preps, who left defense and entered into their old-fashioned game—fast, furious and hard at it all the time.

This sort of a game must result in a score for them, and in 20 minutes the Preps' score rose from 14 to 30, while their older opponents gained only six points. The line-up was as follows:

Faculty — Forwards, McClure

and Powers; center, Haseman; guards, Charles and Ross.

Preps—Forwards, Randall and Sheehy; center, Cottrell; guards, Curtin and Painter.

The final score left the Preps a convenient lead in 30—22.

Immediately after the game Hale's orchestra dispensed the latest dance music to a merry crowd of dancers.

This was the first Social Club dance of this semester. The management—Hauck, Dorn, Helphenshine and Teel—deserve to be congratulated on their dance.

CHORAL CLUB FLOURISHING

Musical Organization Promises Many Treats to the Students

The U. of N. Choral Club is now rehearsing regularly twice each week under the direction of Carl Sawvell. They are singing some popular music as well as several classical selections.

Many of the members who were rather bashful singers at first are now coming forth with excellent strong voices.

It is just these people that the club wants a chance to develop.

Don't think because you were not brought up with a piano or a sheet of music that you have not a creditable voice. Singing is one thing we are not all possessed of, but many of us have voices that can be trained. The Choral Club intends to give several musicales this semester, so that if they are encouraged by several more members the results will be much greater.

NOTICE

A number of camp stools were mysteriously lost last semester. A clue has been followed up by a sharp woman detective, and finally they were found in the basement of the chemistry building.

Military Ball February 21

Cadet Battalion to Assemble at the Annual Military Ball

This week will see the perfecting of all the elaborate plans thus far made by the various committees in charge of this festive affair. Lieutenant McClure is now receiving any novel scheme for decoration that might supplement those already planned.

The invitations are out and may be had from Cadet Major Spike Henderson. Any one desiring to mail invitations may do so by sending him a stamped envelope.

The admission of one dollar for all men who wear uniforms will be charged. All guests will be taxed one dollar and a half. The reason for this is that the committee desires having as many uniformed cadets as possible present. It is possible that a flashlight will be taken that evening.

This method of charging outsiders more has never before been carried out before at U. of N. However, it will not work a hardship on any one so that the resulting full attendance of 200 couples is expected.

The music—the main feature of the dance—will be better this year than ever before, and a full four

hours of selected music will be a treat in itself without the privilege of dancing while they are both combined for the same price on the same evening—February 21, 1911.

NOTICE

The Engineers' Club will meet in the Mackay building on Wednesday evening, February 15th at 7:30 p. m. Mr. F. N. Fletcher will talk on "The Estimation of Mining Properties." All students and friends are invited to attend this interesting and instructive lecture on Wednesday evening, February 15.

Mrs. Clarence H. Mackay Sends Her Best Wishes to the Women of Nevada

New York, Jan. 28—May Nevada do justice to the women of this generation because of those who made the Forty-niners what they were. Give us our political right to share the responsibility of government because of our children and for the sake of our constitution.

Katherine Mackay.

Mrs. Mackay, whom we all remember as one of our loyal sup-

porters and is now working with thousands of other women in the great undertaking of equal suffrage, is the sender of the above telegram.

Under the leadership of Miss Weir of our History department, a club of several hundred members, including many of the most prominent business men of the State, has been organized. This club has already succeeded in having a resolution introduced into the Senate and Assembly last week, whereby the Constitution will be amended.

Such an amendment would allow all women of 21 years of age the right to vote. An amendment of this kind is now in force in Colorado, Wyoming, Utah, Idaho, and Washington. The women of Nevada have already made a great advance toward the passing of such an amendment and expect to be on a par with women of the other more forward Western states.

Many U. of N. students are already members of the club and each day more are joining. This is a chance for the women to un-

derstand the wheels of the law under which we all grind and to have an even chance with the sterner sex to carry out their own ideas.

EVOLUTION COURSE

Lectures for Week Feb'y. 13-29.

The lecture on Tuesday, February 14th, will deal with "The Production of New Species by Man and in Nature." The subject of Thursday's lecture is "The Geographical Distribution of Organisms and Its Evolutionary Significance."

Editorial

What is a college paper? That is the eternal question. We will not attempt to answer it at this time, but we will give the reader a few statements of facts that we sincerely hope will be understood by everyone.

College papers no matter whether weekly, daily or monthly, are in most universities subscribed for by every student and member of the faculty. At the University of California each and every student who claims the least bit of college spirit is a subscriber of a paper. The result is that every member of the student body receives a college paper each morning.

This is not the case at the University of Nevada. Thus far we have not been able to ascertain the exact reason. However, the subscription list of students is at present at a minimum.

The paper is printed regularly and contains as much of the news as is possible to get with a limited staff. A great many students receive the paper regularly, yet they do not pay their subscriptions. On Monday evening the more loyal students usually have callers (to borrow their Sagebrush). This is going on continually and often some students even go so far as to borrow their friend's paper without consent.

We can not call this system of appreciating the U. N. Sagebrush (your paper) fair to yourself, or to your college. If you see a person reading some one else's paper suggest to him that he invest 75 cents in a subscription.

The U. N. Sagebrush is your paper, published by the students of your college, for your benefit and pleasure. ARE YOU A SUBSCRIBER?

COLLEGE WOMAN'S OUTLOOK CLUB

One of the largest and most enthusiastic meetings that the club has known was held last Wednesday afternoon. The extraordinarily delicious "eats" put every one in a good humor. Then three papers on what woman has done in the field of music were read—Ethel Thompson took the work of woman pianists; Isabel Schuler, the fame of woman as a vocalist, and Rowena Glass read two short sketches about woman violinists. Then the constitution was taken up. It was decided that the constitution be changed in two places—first, the officers are to hold office for one semester, after this, instead of the whole year; second, a committee of three are to be appointed whose duty it shall be to invite new members to attend the club meetings.

The art meetings have moved such a success that it was decided to have the next program on what woman has done in the field of science, with special attention given to the work of Madame Curie. Gussie Curler, Margaret Langwith and Mabel Finney are to have charge of the program.

The increase in the number of members is very encouraging, and it is hoped that soon the membership will be large enough to warrant taking Dr. Stubbs at his word, and asking him for "anything we want."

NOTICE

There will be a meeting of the Mackay Pioneer Class Tuesday afternoon at 4:30 in room 6. All members are requested to be present as there is important business to be discussed. By order of
ETHEL THOMPSON, Pres.

A FATAL ERROR

The upperclass girls were thrown into great excitement by the news that some of the named girls were attending Freshmen class meetings and intended continuing to do so. It is the custom, and must be understood by all students, that class meetings are for the members of the respective classes; and one should no more force themselves into these meetings than to enter an acquaintance's family circle.

At first the upperclass girls thought the entire blame should be placed upon the intruding parties, but after looking into the matter it was learned that some of the Freshmen girls encouraged the attendance of outsiders; and argued with the members of their class regarding it. Their excuse was that they could not see why the Normal girls were not made members of the class of 1914, as well as themselves.

The reason why can be easily stated—because the Normal girls are not of college rank. They of course are connected with the University, but so is the University High School.

Would our Freshmen girls think it proper for the University High School girls to attend their meetings? The Normal school is of higher standard than the girls who encourage this attendance.

As the intruders are not guilty but the friends of the not wanted persons, then the plan should be to expell from all class meetings the unloyal Freshmen class members, and thus put an end to the trouble.

Free for your room—a sorority girl photo. Call for one. Red Cross Drug Co.

NOTICE TO SUBSCRIBERS

If you do not pay your subscription before February 18th—next Saturday—your paper will not be sent to you. This is required by the Postal Department, which prevents the delivery of sample copies.

Subscriptions may be paid to Ray Robb, '11, or Lloyd Patrick, '13.

UTAH DEMONSTRATION TRAIN

Our Neighboring Agricultural College to Give the Farmers of Southern Utah and Nevada

The Salt Lake & Los Angeles railroad is conducting, free of charge, a special demonstration train over all its branch lines in Southern Utah and Nevada.

This train consists of five cars, two baggage cars, two coaches, and one Pullman car. The coaches are equipped with stereopticon lanterns, charts, maps and photographs. The baggage cars are equipped as stock cars and demonstration laboratories in dairy products and domestic science.

The train also has about 20 eminent professors from the western colleges, among whom are G. H. True and W. B. Mack of our own University.

These demonstrations are carried on by many of the eastern agricultural colleges and the U. of N. agricultural department intends to run a train.

The itinerary of the trip includes most all the towns on the line of the railroad—Caliente, Moapa, Las Vegas, Muddy and other promising towns in southern Nevada, where tropical climate, nuts and dates abound.

WOMEN'S BASKET-BALL

These are very busy days for girls' basket-ball: It is only a short time now before the first game of the schedule is to be played. There is a very good crowd of hard workers out at all practices and from the work done this last week it is certain that we shall be represented this year by a victorious team.

The first game of the season is to be played on the home court February 4th with U. P. February 11th is the date set for the U. C. game, which also is to be played here.

The following week the team expects to go to California, and while there they will play the return game with U. P. and will also play a game with Chico and San Jose.

This trip is causing a great deal of excitement among the girls, who expect to have a good time while they annihilate their opponents.

The whole university wishes the girls success. From now on let us all go to the practices and tell them how great they play even before they win.

NOTICE, MUSICIANS!

The University orchestra will meet every Wednesday from 7 to 8 p. m. Everybody is cordially invited to be present at 7 o'clock, sharp, so that we are able to adjourn promptly. This hour has been decided upon on account of the members on the baseball, track and basket-ball teams, who are unable to be present at 4:30 p. m.

The program for next Wednesday will be as follows:

- Bohemian Girl, Sel. I and II.
- Tannhauser.
- Carmen.
- Madame Sherry.
- Love's Dreams.
- Dreams, Just Dreams.
- Philopoena (Viennese Waltz).

We should like to get several more violin players to fill out the leading parts.

Y. W. C. A.

The Young Woman's Christian Association will hold its regular weekly meeting in the Y. W. C. A. room at 4:30 on Tuesday. Every girl is urged to be present.

The Y. W. C. A. held a business meeting today and a very sociable time followed the business meeting. These meetings will be held once a month and all Y. W. C. A. girls are requested to come. All other girls interested in the association are cordially invited to attend.

Miss Eleanor James was ill during the past week.

Nettie says she likes ducks, especially Teele.

Too bad, Painter, but don't try it again Tuesday night.

Wanted—A Senior High girl wants a nickname.

Students try to be more considerate when Miss M— has charge of study period.

Have you noticed Dixie's lip lately. No fair, Sneed, some one might get jealous of you.

Reno High School girls practiced basket-ball with the University girls Monday.

Ruel Cottrell was absent from school Wednesday morning on account of illness.

Miss Parker in Latin D.—Will you dispose of your feet as you go along, Miss Van Leer?

A—You make a heavenly couple.

T—Yes, of no earthly use.

L—Who do you want, Helene? H—I don't know whether I want he, or she, or Sheehy.

Dixie—Alice, those curls just match my wool. Where did he see it?

Miss Luitia Winn was confined to her home the last few days on account of illness.

Miss Freda Davis, who has been ill with typhoid, was seen on the campus Tuesday morning.

Alvino Fuss has lately told many students that he has forgotten more mathematics than Knapp or Stenbiht will ever know.

One of Manzanita girls injured. While at supper last Wednesday evening, Miss Emma Munk got shot in the pie.

I have opened a massage parlor for the students of Lincoln Hall. German methods used exclusively.—Albert Axt.

Prof. Thompson considers himself as one of the best examples of a self-controlled man. Who doubts it?

Basket-ball practice was held Friday afternoon instead of Thursday, in order that the faculty might practice Thursday.

Anyone who has any news of interest or any announcement to make, hand it to the editor. Donations gratefully received.

Regular meeting of High School students was held Tuesday morning. Announcements and comments were made by different teachers.

Miss Winn and Miss Stevens, both carrying four subjects, have a record of four A's apiece for this month. Several other students have A's and several B's.

Students—Choral practice every Tuesday evening at 7:30 sharp. Come and help make up a rowd. The hour of work is of great benefit to you if you take advantage of it.

McDonald and Sullivan wish to announce to the students of Lincoln Hall that they have opened a tonsorial parlor in their room, shaving and massaging a specialty. Patronize home industry.

Arrangements have been made for the Prep boys to play Company F a game of basket-ball Tuesday night. Every one come out and help the boys along. We want them to win this game, because the Company F boys are champions of the United States.

Prof. R. W. Stenbiht, who entertained the majority of students

NEVADA ACADEMIC LEAGUE RECORDS

Official Records as Filed in 1910 For Previous Track and Field Meets

The records printed below are those agreed upon by the Nevada Academic League at a recent meeting. Of the total of 13 records held by various young athletes five are held by T. Emerson of Susanville High School. Cottrell of the University High School comes second, with two records.

Several of the records made are just as good if not better than those records held by many collegiate track men. The time of 16 4-5 for the 120-yard hurdles is a record the University of Pennsylvania is trying to lower this year.

The oval on the Mackay Athletic field will be the scene of many fast races this year, when 10 or 12 high schools of Nevada compete for the trophy offered by the Nevada Academic League, in May, 1911.

The Academic League intends this year to give medals to all athletes who succeed in making certain records.

These records as yet are not definitely set, but will be printed in this paper in a week or so. The advantage in giving these medals is to encourage every man who goes into a race whether he wins or not, so long as he equals the recognized standard of the league.

1910 — 50-yd.-dash, Scheeline (Reno). Time .05 3-5.

1910 — 100-yd.-dash, Cottrell (U. H. S.) and Randall (U. H. S.) Time .10 2-5.

1907 — 220-yd.-dash Bridges (Sparks). :23 4-5.

1910 — 440-yd.-dash, Bringham (Reno). :56.

1910 — 880-yd.-dash, Cowgill (Reno). 2:11 3-5.

1907 — 880-yd.-dash, Porteous (Reno). 2:11 3-5.

1907 — Mile run, Cunningham (Sparks). 5:07.

1910 — 120 yds. hurdle, T. Emerson (Susanville). :16 4-5.

1910 — 220-yd. hurdle, Gadowood (Goldfield), and McPhaill (Reno). :27 4-5.

1910 — Shot put, T. Emerson (Susanville). 45 ft., 2 in.

1910 — Hammer throw, T. Emerson (Susanville). 141 ft., 6 in.

1910 — Pole vault, Cottrell (U. H. S.) 10 ft., 3 in.

COLLEGE OF AGRICULTURE NOTES

The Department of Animal Husbandry received from W. F. Renk of Sun Prairie, Wisconsin, an imported Hampshire Down lamb that was not only first in his class at the International Livestock exposition in Chicago, but was made champion for the breed. Professor True secured the lamb for the use of the students in his classes in the breeds of livestock and livestock judging.

This department is to be made the recipient of a very substantial gift from an Elko county cattleman, John H. Cazier, a Hereford breeder of Wells, who is presenting to the University a pair of pure bred Hereford calves. These are the first representatives of the breed to be owned by the college and the generosity of the gift is appreciated by the department.

A recent number of the New Haven (Conn.) Register had the following to say of Mr. L. L. Norton, who took work in all the agricultural subjects given last semester and was one of the most enthusiastic members of the Agricultural Club, "One of New Haven's most active, energetic and successful business men, Mr. Norton, formerly of the firm of Norton & Son, leaves the mercantile business and will put his shoulder to the wheel in the development of the wonderful new country known as the Northwest. Mr. Norton's future activities will be directed toward the development of agricultural valleys in Oregon."

MAJESTIC THEATRE

Vaudeville at the popular price of 10 cents is now being played daily at the Majestic theatre with the exception of those nights on which road attractions are booked. The vaudeville comprises mainly those acts from the Orpheum circuit and in addition there are special acts twice each week by the Majestic Comedy club, a stock organization that presents boisterous farce comedies. In fact, the program changes twice weekly.

Say, boys, where is that oyster supper? Don't you suppose girls ever get hungry?

'Tittle grains a powder, 'Tittle dops a paint, Make a co-ed's feelkes 'Ook as do dey wasn't.
