FRESHMAN GLEE APRIL 21st

Graduates to Return

Silver Jubilee to Call Back Many Former Students

From the letters received by the secretary of the home coming committee the crowd at commencement this year will be a match in size to that of Roosevelt Day.

The graduates are now writing from all over the world to the home coming committee regarding commencement. The first of the week will begin Friday night, May 12th, with the academic declamation contest.

Saturday, May 13th, is field day, when all the High Schools of the State are present to compete for medals and N. A. L. buttons engraved and granted to every competitor who makes the prescribed time in any three events. These emblems are small sterling lapel buttons bearing the words Nevada A. L.

Saturday night the annual field day dance will take place in U. of N. gym. Sunday, May 14th, is baccaulaureate Sunday, which will include a sermon by

Dr. J. E. Stubbs and a band concert on the quad in the afternoon.

Monday, May 15th, is the date of issue of the commencement number of the U. N. Sagebrush. In the evening a grand reception to all students, faculty and visitors will take place. This reception will no doubt be in the nature of a banquet.

Tuesday, May 16th, is class day. The classes, all of them, will parade during the day decked in respective colors.

In the evening folk dances and a May festival, followed by a band concert on the quad will be in order.

May 17th is Commencement Day. The commencement exercises begin at 10:30 a. m. At 2 p. m. the annual meeting of the alumni will take place in the dining hall. The reunion of all classes will consume the remainder of the afternoon. The evening of May 17th the Grand Senior Ball, the last social affair given by 1911, will pass the flying hours of night away. The Seniors are planning on this last dance to be the climax of social fetes ever held at the University of Nevada.

The Freshman Glee

First Year Class to Entertain Sophomores at Annual Glee

Everybody is thinking of, everybody is talking about, everybody is preparing for the Freshie Glee. Are you going?

The class of 1914 is making every endeavor to show everybody a good time on that night—the first Friday night after Easter. The old gym won't know itself in its Easter decorations.

The floor will shine as only Freshies taught by long experience know how to make it shine. The music is in the hands of Harold Hale, and you know what that means. There will be plenty of dandy moonlights, rollicking two-steps, and dreamy waltzes. The programs will be the very latest and the punch will be delicious. Are you going to the Freshie Glee?

Remember the date, Friday, April 21, 1911.

Student Body Meets

Friday morning the Associated Students held their regular monthly meeting in the gym. The meeting brought forth a great deal of spirit as the interest exhibited by the yelling and the short speeches. The two amendments to the constitution were brought up. The amendment offered to article 9 by the committee was lost. This motion concerned college athletes and their status.

Resolutions were introduced concerning the Faculty Athletic committee and their rulings. These resolutions were not accepted by a strong majority.

A motion was offered and carried which caused a committee of five members to meet with the Faculty Athletic committee to formulate rules concerning all members of U. N. athletic teams. The committee appointed was: E. R. Bennett '11, chairman; H. A. Fletcher '12, J. G. Collins '13, G. B. Tyler '13, and Miss Glass '12.

President Jepson announced that an auditing committee of three had been appointed to audit all the accounts of persons responsible to the Student Body. The following is their report:

Report of Auditing Committee

April 7, 1911.

This committee reports that to date it has audited the books of the Treasurer, the Graduate Manager, the Secretary, and the Women's Basketball Manager, each of the Associated Students of the University of Nevada, and finds the said books to be in a satis-

factory condition, up to April 1, 1911.

The committee cannot at this time give a report on the condition of the books of the Business Manager of the college paper, the U. of N. Sagebrush, owing to the fact that it has been unable to obtain up to this time from the Business Manager a complete and definite statement of the receipts and disbursements of the paper for the current school year.

When the committee has obtained the data required, and has completed the auditing, it will place upon the Associated Students' bulletin board in Morrill hall a complete report of the work it has done.

The committee suggests that in the future a uniform, business-like system of bookkeeping be followed by those officers of the Student Body, whose duty it is to compile and maintain books. Further, the committee urges that the executive committee see that such a system is adopted.

Signed, Committee,

NAT WILSON,
R. B. LAYMAN,
ETHEL THOMPSON.

Nominations for Student Body officers were then made with several speeches interrupted by bits of advice concerning who should and who should not be nominated. However, a flood of nominations were forthcoming. All nominations will be found in another column.

EXECUTIVE COMMITTEE

Discuss Several Items on Wednesday

The Mackay training quarters was the scene of a very lively meeting of the student body executive committee. The editor of the Sagebrush was asked to appear before the committee to explain an editorial printed on March 20. Quite a discussion brought out during the meeting when various ways and means of carrying on student affairs were discussed. Other matters relative to this editorial were also brought up and explained.

Second Meeting Monday Afternoon

At 4:30 it occurred and many matters of minor importance were dispositions of two members of the auditing committee were accepted. Election day was set and preliminary arrangements made.

An agreement between the U. N. H. S. A. A. and the executive committee was accepted. This agreement grants the High school the privilege of using a part of the student body funds upon an order from the executive committee. Bills were ordered paid for several minor accounts. The committee adjourned with considerable unfinished business.

PROFESSOR TRUE APPOINTED BY GOVERNOR

Governor Oddie has appointed Professor True of the Agricultural Department a member of the board of managers of the State Dry Farm located in Elko county. Mr. A. W. Hesson of Elko and Mr. George Bauer of Lamaille are the other members of the board. Prof. True started for the dry farm Friday night to be present at the first meeting of the board which was held there on Saturday. He was accompanied by Professor Knight, both expecting to be back for their work on Monday.

MILITARY SCHEDULE FOR THIS WEEK

Monday, April 10—Company platoon drill.

Tuesday—Same.

Wednesday—Blue uniform.

Thursday—Battalion parade.

Thursday—Battalion platoon.

Friday—Same.

Khaki uniforms will be worn except Wednesday. Lieutenants are expected to take charge of platoons. Non Commission officers should look up platoon movements.

BULLETIN JUST OUT

Experiment Station Very Active

Last week the entomology department together with the biology department issued a bulletin to the farmers of the State concerning the potato celworm. Profs. Doten and Frandsen have given this pest a great deal of attention and have prepared a very instructive bulletin.

FRESHMAN GLEE

REDUCED RATES FOR COMMENCEMENT WEEK

A seven-day rate of a fare and one-third has been obtained by the University for the week beginning May 11 and ending May 17, Commencement Day. This rate is a great inducement to all friends who may wish to visit the U. of N.

The program for Commencement Week is not completed as yet but will be completed for the next issue of this paper.

The program will include a class day on May 16 where all classes will be present in "dictatorial" grace to greet the many friends of the University. This day will be one of a great deal of interest.

At 7 p. m. the physical culture classes, assisted by Miss Edith Howe, and the U. of N. Cadet Band, will give a May festival, consisting of folk dances, pantomimes, recitations and selections by the U. of N. band, under the direction of Capt. E. R. Bennett.

WASHINGTON AGGIES ALIVE

The Evergreen says: A giant farmer and his wife, followed by a float with shocks of grain, lambs and little pigs, then a mammoth dummy hog, the motive power of which was furnished by two students. The hog was being driven by a bunch of farmers, and its antics together with the capers of the drivers made a big hit and kept the spectators in roars and laughter. Dairying was represented by a float on which the various processes of making butter were being carried out.

NOTICE MINING STUDENTS

A meeting of all the students who propose or even think of taking summer school work in geology and mine surveying is called for 4:30 o'clock p. m., Tuesday afternoon, April 11th, in the lecture room of the Mackay Mining building. It is important for every man to be present.

Y. M. C. A. TO GIVE AN ENTERTAINMENT

"A Message from Mars," a great play teeming with human conditions and problems, will be presented at the Majestic theatre next Thursday evening, April 13th, by Adrian M. Newens, America's foremost monologist and literary interpreter. This is the fifth attraction in the excellent course of entertainments given this season by the Y. M. C. A. committee.

Mr. Newens is a superb artist in his own particular field of talent and as such stands head and shoulders above all contemporaries. While presented as a monologist he is all that and more. His entertaining programs are truly entertainments with great purposes.

A special rate of one-half the regular price of reserved seats has been made to all students of the University for this entertainment. Doubtless many of the students will take advantage of this opportunity of hearing Mr. Newens in his masterpiece.

Many students took advantage of the last Y. M. C. A. entertainment and no doubt will take the same opportunity next Thursday.

AGRICULTURAL DEPARTMENT RECEIVES DONATIONS

The Department of Animal Husbandry of the University has received a gift from Mr. Joe Berghone of Fallon of a genuine razor back hog. This animal of the primitive hog type furnishes a fine contrast to the improved hogs of the pure breeds kept at the University farm. It will be used in breeding experiments to demonstrate the value of pure blood in improving the common hogs of the country.

NOTICE TO SUBSCRIBERS

The next issue of the U. of N. Sagebrush will be printed on April 25. There will not be an issue on April 18 because of the Easter vacation. The issue of April 25th will contain all the news of the Freshman Glee and the Commencement program complete.

Editorial

WHO IS TO CONTROL OUR ATHLETICS

The committee appointed by Student Body President M. E. Jepson last Friday have a great deal of responsibility to bear. They represent all the interests of the students. Upon this committee devolves a duty which we believe is inert in every loyal Nevada student to help his or her Alma Mater. The present situation in regard to athletics in which we find ourselves is one where the Faculty and students are laboring at cross purposes. The Student Body constitution is indefinite in that it does not state specifically what qualifications a representative of any U. of N. team shall have other than being a member of the A. A. The general sentiment of the Student Body tends toward a definite agreement between the Faculty and

students regarding the eligibility of candidates for athletic contests. The Sagebrush urges upon the committee the necessity of formulating satisfactory rules to both Faculty and students in regard to athletics. Not strict rules which may be construed under certain conditions but rules that will apply in each and every case. The Faculty committees should also make rules which they intend to have carried out. These rules can be formulated satisfactory to every one because other universities make specific rules which are carried out to the letter. Why can't Nevada do likewise? The ultimate results gained from the co-operation of students and Faculty will be the means of building for the Blue and White the strongest reputation possible—that of true, clean athletics. Let us begin now and in later years look back and reflect upon our loyalty to our Alma Mater.

DUAL HIGH SCHOOL INTERCLASS MEET

Preps to Have a Young Track Meet
 The first track meet of the season to be held on the Mackay Athletic field will occur next Friday morning, April 14th, at 9 o'clock. Owing to a lack of favorable climatic conditions and an indoor track our men have had some difficulty in reaching their old-time form and condition. Although we have had only a few warm days our sprinters and distance men are doing their events in good time. Trabert and Noyes in the distance runs have shown that we may reasonably look to them for remarkably good time in their events. Watson is showing splendid form in the high jump.

Twenty men will be entered in the meet. Ten will represent the Senior and Sophomore classes and the remaining ten will compete the honors for the Freshman and Junior classes. Coach Ross declares that each class has a number of individual stars and that it is difficult to state which classes will be in favor. We may reasonably look forward to a high class performance in each of the twelve events and this meet will decide pretty accurately the twelve men who will represent the University High school in the big Interscholastic meet on May 13. After the meet we will know what cards we hold against the other big schools, Reno, Susanville, Tonopah, Goldfield and Elko.

CALIFORNIA AGRICULTURAL TRAIN TO VISIT SOUTHERN TOWNS

Farmers in the southern part of California will be given an opportunity to study the latest methods in agriculture and horticulture under the auspices of the department in the University of California. A special Southern Pacific train of seven cars left Los Angeles March 20, carrying full exhibits in all departments of farm work. It was accompanied by men from the College of Agriculture and practical farmers of the state, who will demonstrate improved methods of agriculture, stock raising and kindred industries.

After a trip of twelve days, in which time stops will be made in all the principal southern and central towns, the train completing its trip at Watsonville.—Daily Cal.

Surveying instruments and supplies at Porteous Decorative Co.

AGRICULTURAL SHOW COMMENCEMENT WEEK

"Aggy" Club to Assist
 There will be a new feature in connection with the commencement exercises at the University this year. It has been customary to have the University buildings open for the inspection of visitors at this time, as on other special occasions, and strangers frequently ask, "Where is your agricultural department?" The reply to this question in the past has been a rather indefinite wave of the hand in the direction of the Experiment Station farm and the race track, where the farm operations of the institution are carried on.

This year the regents have offered to provide a temporary building on the campus to be used by the agricultural department for a display of some of the features of its work including an exhibition of live stock from the college herds. The students in agriculture will be on hand to show off the fine points of the exhibit to their friends and it is hoped that the stock show may be something of an event in a social way. Everyone likes animals. That's why the horse shows of the east are no less social than stockmen's events. We'll be surprised if this isn't an attractive feature of commencement week.

WOMEN'S OUTLOOK CLUB

There will be a meeting of the college Women's Outlook Club Wednesday afternoon, April 12, at 4:30. The topic for discussion will be, "What Woman Has Done in Public Life." Papers will be read on this subject by Emma Reinkin, Edwina O'Brien, and Martha Noble. Any discussion of the subject by the girls who have not been assigned special papers will be welcome.

The usual refreshments will be served before the meeting is called to order, so come early and avoid the rush.

Cedric Beebe '12, and Leonard Gilcrease '13, returned last week from Santa Cruz where they attended the annual convention of the Y. M. C. A. The convention lasted more than a week. Many noted speakers addressed the meetings.

ELECTION DAY MAY 5, 1911

Executive Committee Decide
 Yes, it will all be over on May 5th. The candidates up and down will know then whom to call their friends and who will deliver their favors next year.

INTERCOLLEGIATE NOTES

The George Washington University has abolished football.

The Bayonet, St. Augustine H. S., Florida, is a new exchange.

The Cadet number of the Red and Black, Salt Lake H. S., is good.

The University of Michigan has twenty-seven alumni in congress.

The University of Chicago baseball team lost but one game during its recent tour of Japan, China, and the Philippines. The team was beaten by the Marine club of Manila.

VACATION SALESMEN

Some men made \$100 a week last summer with us. This year we should like to hear from some embryonic Morgans and Carnegies who desire a business training and need the money. At our expense we train every man in his own territory. Our proposition is strictly business—no house to house canvassing and no samples. Write W. E. Judge, 24 California street, San Francisco. Advt.

A bill has been passed by the Idaho legislature abolishing the preparatory department of the University of Idaho.

Boys! Have You Seen Barry's "Pup"?

This is the greatest thing ever gotten out in the shape of shoe leather and is taking the College Boys all over the country. We are the sole agents for this wonderful shoe. Come and see it or pick it out in the window. Watch this space for important announcements from time to time.

RAYMOND F. ROBB.

U. N. GRADUATE ASPIRES FOR CITY CLERK

Among the political announcements in this issue of the Sagebrush will be found the announcement of Joe Taylor for city clerk at the coming city election to be held May 2, 1911.

Mr. Taylor is a wearer of the big N having been active as a track man during his three years' attendance at the University in '01, '02, '03, when he was registered as special. Since leaving school he has held positions of responsibility in the money order and registry departments of the local post-office for five years, kept the books of the Drappo Wood Yard for two years and for the last two years has been employed in the money department of Wells Fargo & Co. Express of this city. He is a man well qualified for the office he seeks and in return for your support promises on honest administration.

EASTER VACATION THIS WEEK

Rather Brief But Appreciated
Thursday at 4:30 p. m. the Easter vacation of 1911 will begin. It will last until Monday morning at 8 a. m. The usual student rate is good on all S. P. lines.

Indians to Erect Bleachers—Intend to Appoint Yell Leader

At a meeting of the Washoe delegation of Washoes held last Saturday night on the N.-C.-O. tracks it was decided to solicit funds to erect some velvet bleachers on the hills east of the training quarters. A great deal of time was consumed in planning these bleachers. Some members proposed wood, others tin, some steel and the most agreed upon mahogany with velvet coverings. A committee composed of Johnny Shortleg, Harry Caryne, and Gladys Longshore were appointed to confer with Prof. Tibbal's class in building materials to estimate the cost of such a structure. The report of this committee will be printed in this column the next issue.

You will meet him on the campus. When the dew is on the grass; Strolling slow Don't you know At his side a monny lass. And his words so soft and low, You can't hear them as you pass. They are meant but for the girls And no other, no, oh no, He's a Queener.

You will meet hi mon the campus Every pleasant afternoon. Late or soon He doth spoon With his zeal all unabated, Though his causes all belated, Need him sore, he will croon Nothing, stupid, wise or not Till the sunset makes him stop Will the Queener.

You will meet him in the evening, When the shadows long and slow, Come and go, Walking slow. And his voice it murmurs still Soft, incessant as a rill Nothings, soaked in sugar sweet Of his boundless self conceit, Pity 'tis he does not know Happy Queener.—Ex.

Queener's Club to Change Name
At a meeting of the U. N. Queener's club held Sunday afternoon at 5 p. m., the chairman, Mr. _____, reported having seen the other members of the club, and all, including "Irish" '12, decided to change the name to the U. N. Fussing Club." The club holds meetings on Saturday and Sunday of each week. Submitted by committee. Mr. _____, chairman.

BASE BALL MEN GRANTED NINE-INCH BLOCK N Executive Committee Do the Deed

At the meeting of the executive body the following baseball men were granted nine-inch block N's: E. R. Bennett, captain; A. Myers, "Spike" Henderson, H. A. Fletcher, R. Sheehy, H. Grayson, J. Delahide, H. Manion and C. S. Knight.

Y. W. C. A. AT CAPITOLA

The two delegates who represented the University of Nevada at the Y. W. C. A. convention held at Capitola have returned and report having attended a most helpful convention as will as having had a most delightful time.

The convention opened Saturday evening, March 25, and continued through Sunday, April 2. The mornings of the conference were taken up with mission and bible study classes and committee and council meetings of delegates from the different associations. Miss Bertha Coude was executive of the conference and was aided in her work by several very helpful leaders.

The afternoons of the conference week were given over to recreation. Excursions to Santa Cruz and the big trees were held. One afternoon was given over to a mock aviation meet and another to sports at which time the conference delegates witnessed a most interesting basketball game between Santa Cruz High school and a picked team from the conference. A baseball game between a picked team from the students of the conference and a team from the secretaries, a relay race, and an obstacle race between the colleges.

In the evenings well-known speakers addressed the conference, among whom were President F. J. McConnell of De Pauw University, Mr. L. M. Messer of the Y. M. C. A. and Dean Gresham of San Francisco. After these meetings each delegation had a meeting of its members.

Each student and city association represented at the conference had an exhibit of posters, penants, pictures,

and souvenirs of all kinds. The conference was in every way a decided success. Old friends were met and new ones made, and it was with reluctance that the three hundred girls departed.

A MUSICAL LOVE LETTER FROM "CASEY JONES"

My Dear
Meet me tonight in Dreamland,
The Man in the Silvery Moon will
Play that Barber Shop Chord for the
Belle of the Barber's Ball.

Some of these Days
I'll Change the Thorns to Roses for
Kid you've got some eyes.

When I dream of you
You are the ideal of my dreams, and
I'm just pinin' for you.

Will you forgive if I forget?
I've got the time, I've got the place and
All that I ask is love.

Kiss me, and
Put your arms around me honey.
Please come back to me
Till then.

Good Bye, Casey Jones.
